Report of the Auditor General.

I have the honour to submit the Report of the Auditor General of Canada, for the fiscal year ended 31st March, 1912, including statements in detail of the Expenditure and Revenue of the Dominion of Canada for that period.

I have to report an over-ruling by the Treasury Board of a refusal of the Auditor General to issue a Letter of Credit for the payment of bounties under The Fenian Raid Volunteer Bounty Act of 1912, on the ground that there was no parliamentary appropriation.

There are two methods of appropriating public money, which have been followed by the Parliament of Canada since Confederation, one by an amount in the annual Supply Bill and the other by providing in Special Acts that the money required shall be paid out of the Consolidated Revenue Fund.

The latter practice has been followed in the British North America Act, in the House of Commons Act providing for the indemnity and mileage of Members and Senators, the Judges Act for the salaries of Judges, the various Acts for Subsidies to Railways, Mail Subsidies and Steamship Subventions, Bounties on Iron and Steel, and in fact in all Special Acts calling for the expenditure of public money where no special amount has been granted in the annual Supply Bill.

So far as I am aware the Fenian Raid Bounty Act is the exception to the rule. I think the matter is of sufficient importance to warrant the consideration of Parliament and the expression of an opinion for future guidance.

Ottawa, December 27, 1912. J. FRASER, *Auditor General.*

TREASURY BOARD OVER-RULINGS OF THE AUDITOR GENERAL'S DECISIONS BETWEEN THE SESSIONS OF 1911-12 AND 1912-13.

Finance Department: Payment of Grants under the Fenian Raid Volunteer Bounty Act.

AUDITOR GENERAL'S OFFICE, OTTAWA, May 25, 1912.

SIR,—I have to acknowledge receipt of your application for a Letter of Credit for $200,000 for payment of grants to volunteers under the provisions of the Fenian Raid Volunteer Bounty Act.

In reply I beg to say that I can find no appropriation for this purpose. I shall therefore have to refuse to issue a certificate on the ground that there is no appropriation.

This action is taken under Sections 41 and 43 of the Consolidated Revenue and Audit Act.

I might add that I have not received the Order in Council required under section 5 of the Fenian Raid Volunteer Bounty Act.

I am, sir, your obedient servant,

The Deputy Minister of Finance. J. FRASER, *A.G.*

FINANCE DEPARTMENT, June 28, 1912.

SIR,—Referring to your communication of the 25th ultimo, acknowledgeing receipt of an application of this Department for a letter of credit for two hundred thousand dollars ($200,000) for payment of grants to volunteers under the provisions of "The Fenian Raid Volunteer Bounty Act," I have now to inform you that the Order in Council required under section 5 of that Act has been passed. In your letter referred to, you refuse, under sections 41 and 42 of "The Consolidated Revenue and Audit Act," to issue a certificate for the credit, on the ground that there is no appropriation. I do not understand, therefore, that your objection to the issue of the credit was because there was no Order in Council prescribing regulations under section 5. Is it to be assumed that you still adhere to your refusal on the ground of no appropriation? Your reply is requested.

I have the honour to be, Sir, your obedient servant,

The Auditor General. HENRY T. ROSS, *Asst. D.M.F.*

AUDITOR GENERAL'S OFFICE, June 28, 1912.

SIR,—In reply to your letter of this date, regarding the application for a letter of credit for payments under the provisions of "The Fenian Raid Volunteer Bounty Act", I beg to say that the objection stated in the Auditor General's letter of the 25th ultimo still holds.

I am, Sir, your obedient servant,

E. D. SUTHERLAND, *for A.G.*

The Assistant Deputy Minister of Finance.

FINANCE DEPARTMENT, July 3, 1912.

DEAR SIR,—Referring to your letter of the 28th ultimo, with regard to Fenian Raid Bounty credit, I now enclose extract from minutes of the meeting of the Treasury Board held on the 2nd instant with reference to the matter.

Yours sincerely,

HENRY T. ROSS,
Assistant Deputy Minister of Finance.

The Acting Auditor General.

Treasury Board Minute July 2, 1912:—The Board has had under consideration the provisions of "The Fenian Raid Volunteer Bounty Act, 1912;" the application for a letter of credit cheque thereunder by the Deputy Minister of Finance to the Auditor General; the report of the Auditor General that there is no Parliamentary authority for issuing such cheque; the written opinion of the Acting Minister of Justice that there is such authority, reference being made by the Acting Minister to section 4 of the Act as the authority.

The Board hereby authorize the Deputy Minister of Finance to prepare the necessary cheque for the purposes of the said Act, irrespective of the Auditor General's report.

HENRY T. ROSS,
Acting Secretary of the Treasury Board.

AUDITOR GENERAL'S OFFICE, August 7, 1912.

SIR,—With reference to the Minute of the Treasury Board, dated July 2nd, 1912, authorizing the payment of Fenian Raid Bounties, I have to ask for a copy of the written opinion of the Acting Minister of Justice that there is Parliamentary authority for the issue of the cheques.

I am, Sir, your obedient servant,

E. D. SUTHERLAND,
For Auditor General.

The Deputy Minister of Finance.

FINANCE DEPARTMENT, August 10, 1912.

E. D. SUTHERLAND, ESQ.
Audit Office,
Ottawa.

DEAR SIR,—In reply to your letter of the 7th instant in reference to the Minute of the Treasury Board dated 2nd July, 1912, authorizing the payment of Fenian Raid Bounties, I now enclose as requested, a copy of written opinion of the Deputy Minister of Justice in regard to Parliamentary authority for the issue of cheques.

Yours truly,

T. C. BOVILLE,
Deputy Minister of Finance.

JUSTICE DEPARTMENT, OTTAWA, May 29, 1912.

SIR,—In reply to your letter of 27th instant, respecting the payments of the grants to volunteers under "The Fenian Raid Volunteer Bounty Act" of last session, the Auditor General having refused to authorize the expenditure upon the ground that there is no direct parliamentary appropriation for the payments, I have the honour to state that in my opinion the statute in question is itself a parliamentary authority for the expenditure.

This opinion is given under the provisions of Section 42 of the Consolidated Revenue and Audit Act.

I have the honour to be, Sir, your obedient servant,

The Deputy Minister of Finance. E. L. NEWCOMBE, *D.M.J.*

AUDIT OFFICE, OTTAWA, October 4, 1912.

Re ARREARS DUE.

SIR,—In the statement of arrears due, furnished October 17, 1911, the Port of Lethbridge was entered for $1.

In the statement furnished this year Lethbridge is entered for $19,889.82.

The collector in arrears, D. S. McCaig, seems to have left the service July 31, 1911, and your statement dated October 17th placed his arrears at only $1.

This would call for some explanation. I have also to ask how the defalcation of $19,889.82 occurred.

I am, sir, your obedient servant,

The Commissioner of Customs. JOHN GORMAN, *for A.G.*

DEPARTMENT OF CUSTOMS, OTTAWA, October 9, 1912.

Auditor General, Ottawa.

SIR,—I beg to acknowledge the receipt of your letter of the 4th instant, with reference to arrears due at the Port of Lethbridge, and would state in reply that when the yearly statement of arrears was sent you on the 17th October, 1911, the investigation into the defalcation of officer D.S. McCaig had not been completed and it was not possible to show in that statement the actual amount the officer was in default.

The complete report of the investigating officer was not made until the 9th November, 1911, and was received in the Department on the 13th of that month.

The defalcation occurred through the suppression of invoices and entries by Officer D. S. McCaig, and, while only a small portion of the shortage has so far been recovered, the defaulting officer has assigned some valuable lands to the Customs, from which it is expected a considerable amount will be realized. at a later date.

I have the honour to be, sir, your obiedent servant,

JOHN McDOUGALL, *Commissioner of Customs.*

AUDIT OFFICE, OTTAWA, October 4, 1912.

Re ARREARS DUE.

SIR,—In your statement of advances made and not yet accounted for, there appear advances to Arnold Wainwright as follow:—

May 22,	1908	$ 300
Feb. 15,	1909	300
Sept. 21,	1910	350
May 23,	1911	900
Nov. 29,	1911	1,000

Your accountant states that the transactions to which these advances refer have not yet been closed.

It seems to call for some explanation why advances made four years ago are not yet accounted for, especially as you gave him an advance of $1,000 on November 29th last.

I am sir, your obedient servant,

The Commissioner of Customs. JOHN GORMAN, *for A.G.*

AUDIT OFFICE, OTTAWA, October 21, 1912.

Re ARREARS DUE.

SIR,—I wrote you July 12th and again September 30th for a statement of arrears due to your Department, and so far have had no reply.

As this statement must shortly be sent to the printers, I would ask for your prompt attention.

The want of the statement is delaying the publication of our Report.

I am sir, your, obedient servant,

Deputy Minister Marine & Fisheries. J. FRASER, *A.G.*

AUDIT OFFICE, OTTAWA, October 4, 1912.

Re ARREARS DUE FOR AID TO CIVIL POWER.

SIR,—In the statement you furnished October 6th, 1911, the amount due by eleven municipalities for Aid to Civil Power amounted to $88,899.21.

The statement furnished October, 1st 1912, places the amount due as $91,027.26.

The amount due by several of the municipalities was increased, and seemingly nothing has been paid.

Awaiting explanations.

I am, sir, your obedient servant,

The Deputy Minister of Militia and Defence. JOHN GORMAN, *for A.G.*

DEPARTMENT OF MILITIA AND DEFENCE, OTTAWA, Oct. 9, 1912.

SIR,Answering your letter of the 4th inst., regarding discrepancies between Statements of Arrears furnished you on October 6 1911 and October 1 1912, I beg to state that there was expenditure on account of Aid to Civil Power to four of these Municipalities amounting to $714.67 during the year 1911-12.

With regard to the rest of the differences the statement of October 6 1911 did not include items of expenditure which should have been included. The statement rendered in October 1912 is correct.

I have the honour to be, sir, your obedient servant,

The Auditor General. J. W. BORDEN, for *D. M.*

AUDIT OFFICE, OTTAWA, October 11, 1912.

SIR,—I have received your letter of 9 inst., explaining differences in amounts due for Aid to Civil Power, between amounts due in 1911 and 1912.

You do not state what action has been taken towards collecting these arrears.

I am, sir, your obedient servant,

The Deputy Minister, Militia and Defence. JOHN GORMAN, for *A. G.*

DEPARTMENT OF MILITIA AND DEFENCE, OTTAWA, October 14, 1912.

SIR,—Answering your letter of October 11, 1912, I beg to enclose herewith copy of my letter of the 18 January 1912.

The papers in connection with Springhill were transfered to the Justice Department for action in April last.

I have the honour to be, sir, your obedient servant,

The Auditor General. J. W. BORDEN, for *D. M.*

DEPARTMENT OF MILITIA AND DEFENCE, OTTAWA, January 18, 1912.

SIR,—In reply to your letter of the 6th November last respecting expenditure on account of Aid to Civil Power, I have the honour to say that the claims against the municipalities mentioned, Springhill excepted, are with the Justice Department for recovery through the Courts. As regards Springhill, this claim was sent to the officer Commanding at Halifax November 24 last with instructions to endeavour to collect, but, if unsuccessful to return the claim here in order that it may be sent to the Justice Department for action.

I have the honour to be, sir, your obedient servant,

The Auditor General. (sgd.) E. FISET, *D. M.*

AUDIT OFFICE, OTTAWA, October 4, 1912

Re Arrears due.

SIR,—The statement of arrears due the Intercolonial furnished October 19, 1911, amounted to $283,549.78.

The statement furnished September 6, 1912, showed $433,905.40,—an increase of $150,355.62.

As this large increase may elicit some enquiry during the Session, it would be advisable for you to furnish me your explanation, which I will publish.

I am ,sir, your obedient servant,

JOHN GORMAN, for *A. G.*

The General Manager, Intercolonial Railway.

MONCTON, N.B., Oct. 30, 1912.

DEAR SIR,—I received and acknowledged your letter dated October 4th, asking for an explanation of the increase in the arrears of the Intercolonial, an increase amounting to $150,355.62.

I now send you a letter from Mr. Shannon, Comptroller, dated October 19th, giving this information. If any further information is required, please let me know.

Yours truly,

The Auditor General. D. POTTINGER.

MONCTON, N.B., Oct. 19, 1912.

DEAR SIR,—I have to acknowledge receipt of your communication of the 8th inst. enclosing copy of a letter received from the Auditor General asking for an explanation in regard to increased amount of arrears.

The Auditor General points out that the increase amounts to $150,355.62, and in going over and comparing the arrears to March 31, 1912, with similar statement of the previous year, I find the following represents the increase:—

1. Canadian Northern Railway	$1,521 26
2. Canada & Gulf Terminal Railway	3,195 59
3. Dominion Iron & Steel Co	12,214 46
4. Post Office Department	28,323 22
5. Salisbury & Albert Railway	62,385 78
6. Grand Trunk Railway	42,815 22
7. Reid Newfoundland Co. (demurrage)	12,057 90
8. Uranium Steamship Co. (tickets exchanged for S.S. orders)	1,522 62
9. H. & A. Allan (tickets exchanged for S.S. orders)	822 74

The above items more than make up the increase of this year over last, so that there is really a decrease in the arrears outside of these special items.

1. Canadian Northern Railway—This Company are always about a year behind in their payments and the bulk of 1912 arrears is accounted for by bill for freight on account of box cars, $1,210.66, still unpaid.

2. The Canada & Gulf Terminal Railway are slow in paying their accounts but the bulk of the arrears mentioned above have now been settled.

3. Dominion Iron & Steel Co.—The amount of their arrears is made up of demurrage, car hire and freight on rails; statements are sent them from time to time and they remit spasmodically.

4. Post Office Department—The arrears consist of special mail trains from Nov., 1911 to February, 1912, not yet paid for. During the winter months, particularly at Christmas time, the English mail being so large, it became necessary to run two mail trains and they were charged accordingly but they have only paid for one mail train. There has been considerable correspondence with regard to this.

5. Salisbury & Albert Railway—The arrears due by this Company constitute the largest amount of an increase in arrears as shown above and is accounted for by rails and fastenings and second hand bridges. Under the agreement made with this Company by the Government, in the event of the Government not taking over this railway, the Company would have three years in which to pay for such rails and fastenings and bridges.

6. Grand Trunk Railway—Tickets exchanged. The amount of arrears as shown above is $42,815.22 and were not collected at the time the statement was prepared and sent to the Auditor General but since that time this amount has been practically wiped out.

7. Reid Newfoundland Co.—This Company does not pay our demurrage charges for cars held at North Sydney until their steamer can take the contents. This Company although frequently pressed for payment of demurrage, has so far failed to pay any of the amounts and the matter has been referred to the Board for action.

8. Uranium Steamship Co. *and*

9. H. & A. Allan—These amounts have been wiped out since the compilation of the statement.

Yours truly,

D. Pottinger, Esq.,
Assistant Chairman,
Board Managenemt.

S. L. Shannon,
Comptroller and Treasurer.

Audit Office, Ottawa, October 26, 1912.

Re Arrears due.

Sir,—Statement of arrears due to your Department in connection with Canals Revenue recently reached this office.

It would be more satisfactory if a summary accompanied these statements, and that they were added.

The amounts due at most of the Canals, are approximately the same as last year, showing that very little of the arrears due are being collected.

There is an increase of about Twelve Hundred Dollars ($1,200) at Rideau Canal, and over Thirty-three Thousand ($33,000) at Welland Canal. The increase at latter Canal is largely composed of following items:—

Lease No. 6006, Jas. Davey, Jr	$28,011 25
Lease No. 2504, Montrose Paper Co	4,894 00

According to your Revenue Returns, the annual rental of Lease No. 6006 is $120, and of Lease No. 2504, $146, and both are paid up to June 30, 1912.

You have not furnished any statement of arrears due on advances made.

An early reply is requested, as the statement of arrears due by the several Departments, will shortly be sent to printers.

I am, Sir, your obedient servant,

The Deputy Minister, Railways and Canals.

John Gorman, for *A.G.*

DEPARTMENT RAILWAYS AND CANALS, OTTAWA, November 12, 1912.

SIR,—I have to acknowledge the receipt of your letter of the 26th of Oct., ultimo, asking to be furnished with certain information in the above matter.

In reply, I have to say that, in regard of the increase (about $1,200 you state), in the arrears of rental on the Rideau Canal, such increase is made up to a great extent by sundry small amounts due by lessees from whom it would appear to be impossible to collect, one item being $50 due by John Woodruff, and another $500 under a lease which was held by Messrs. J. K. Paisley and A. M. Chisholm, assignees of Messrs. Rowan, Birkett and Chisholm, which lease, together with the total arrears of rent, $3,000, have been cancelled by Order in Council.

In regard of the increase on the Welland Canal, which, you state, is largely composed of the following items:—

Lease No. 6006, Jas. Davey, Jr	$28,011 25
Lease No. 2504, Montrose Paper Co	4,894 00

I have to say that the amounts due under these two leases are for excess water used, and to date are as follows:—

Lease No. 6006	$28,131 25
Lease No. 2504	5,040 00

With regard to the desired statement of arrears due on advances made, I have to say that there are no such arrears due this Department in respect of the year 1911–12, all advances made prior to March 31, 1912, having been accounted for.

I am, sir, your obedient servant,

L. K. JONES,
Asst. Deputy Minister and Secretary.

The Auditor General.

	9,172,077 80	9,172,035 47	56,881 12	56,838 79

(*a*) Expenditure overestimated. Owing to the expansion of the service and establishment of the Rural Mail Delivery in many parts of the Dominion, a substantial increase in mail service expenditure has to be provided for in each year, but it is impossible to make a close estimate of what will be required.

(*b*)Expenditure underestimated. Owing to the establishment of free delivery by letter carriers at some places and the very large increase in the work at many city offices, especially in the West, the staffs of those offices had to be increased to a much greater extent than was anticipated when the estimates were prepared.

(*c*) The amount asked for the Yukon service was not quite sufficient to meet the expenditure as a number of new mail services had to be provided for throughout the Territory where new mining camps were opened.

AUDIT OFFICE, OTTAWA, January 11, 1912.

Re **Experimental Farms.**

SIR,—I am in receipt of your statement dated 5th instant, accompanying returns of Experimental Farms, on which you state returns not in:—

Agassiz—August, September and October.

Ottawa—October, but without any explanations.

Six of the returns now received were for September and eight for October. No returns for November have yet been received.

Is it not possible that these returns should reach your Department before the close of the following month.

I have also to request that all deposit receipts should be forwarded to the Finance Department regualrly each month, and that the corresponding returns be forwarded to this office.

The return of Central Farm, Ottawa, for September, amounted to $779.29, and the deposit therefor was not made till November 27.

The Treasury Board Regulations direct that a deposit should be made whenever $25 is on hand

Your attention is requested.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. J. FRASER, *A.G.*

AUDIT OFFICE, OTTAWA, March 19, 1912.

SIR,—I wrote you January 11 in reference to delay in receipt of returns of sales at Experimental Farms, especially Agassiz and Ottawa, to which I have not received any reply.

No return nor deposit has since been received from Agassiz.

The returns for December from several farms, including Ottawa, are short, and none from any farm for January.

Your attention is requested.

I am, sir, your obedient servant,

The Deputy Minister, Dept. of Agriculture J. FRASER, *A.G.*

DEPARTMENT OF AGRICULTURE, OTTAWA, June 20, 1912.

SIR,—Adverting to your letter under date 11 January last *re* Experimental Farms, I am now in receipt of a memorandum from the Accountant, who reports that the Acting Director of Experimental Farms has intimated to him that Mr. Moore, the Superintendent of the Experimental Farm at Agassiz, B.C., explains the delay in making his returns owing to his being so far behind in money matters that he was forced to use the money he had to pay freight and other necessary accounts and when the time came to send in the statement there was not sufficient money in the bank for the draft.

The explanation is most unsatisfactory and instructions have been given that such action must not be repeated. The Director of the Experimental Farms has sent out instructions to every Superintendent calling attention to the necessity of making deposits promptly and forwarding the returns with the receipts to the Department immediately at the end of each month, and in future I trust there will be no cause for any delay.

Your obedient servant,

The Auditor General. GEO. F. O'HALLORAN, *D.M.*

AUDIT OFFICE, OTTAWA, April 23, 1912.

Re **Casual Revenue.**

SIR,—The vouchers in connection with deposits made to credit of Casual Revenue should be furnished.

In the meantime I have to ask for the vouchers in connection with the following sales:—

Rev. Ret. No. 4—

I am, sir, your obedient servant,

The Deputy Minister, Dept. of Agriculture. J. FRASER, *A.G.*

AUDIT OFFICE, OTTAWA, September 17, 1912.

SIR,—I wrote you April 23 last, giving a list of vouchers required in connection with certain sales made by your officers.

I have had no reply, nor have the vouchers been furnished.

The want of these vouchers is very inconvenient, in making up the statement for the Audit Report; and without them no audit can be made.

Your early attention will oblige.

I have also to ask that you should instruct your officers to furnish vouchers in future for all sales.

I am, sir, your obedient servant,

The Deputy Minister of Agriculture. JOHN GORMAN, for *A.G.*

Re Collectors' Bank Accounts.

AUDIT OFFICE, OTTAWA, Sept. 27th, 1911.

SIR,—Some Collectors deposit daily to credit of Receiver General, others deposit daily to credit of Collector, and periodically to credit of Receiver General.

Presumably deposits to credit of Collector are only made where the receipts are small.

What is the regulation in reference thereto?

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Commissioner of Customs.

DEPARTMENT OF CUSTOMS, OTTAWA, Sept. 30th, 1911.

SIR,—Replying to your letter of the 27th instant, I beg to say that our Collectors deposit to the credit of the Receiver General daily or at regular periods throughout the month, as determined by the amount of their collections and instructions from the department. At ports where the collections are large the Collector deposits to the credit of the Receiver General daily, simply using a deposit slip requesting the usual deposit receipts and drafts.

Collectors depositing to the credit of the Receiver General every two or four days, or weekly deposit their collections to their own credit in the Bank daily if they amount to $25 or over, and issue an official cheque in favour of the Receiver General for issue of deposit receipts for collections accrued at a stated period for making deposits.

All special deposits are placed to the credit of the Collector in the bank at the same period as he makes deposit of Customs revenue and Departmental cheques are deposited as soon as received to the credit of the Collector.

I have the honour to be, sir,
your obedient servant,

JOHN McDOUGALD,
Commissioner of Customs.

The Auditor General.

Re Payment of Customs Refunds and Drawbacks.

AUDIT OFFICE, OTTAWA, Sept. 27th, 1911.

SIR,—The present practice is that your Department issue a cheque in favour of the Collector for all refunds and drawbacks and he deposits it to his credit and issues cheques to persons and firms entitled thereto.

Frequently the Departmental cheque is for a refund or drawback due to an individual firm. In such cases might not the Collector endorse over the Departmental cheque to party entitled thereto and so obviate the necessity of depositing it and issuing a Collector's cheque?

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Commissioner of Customs.

DEPARTMENT OF CUSTOMS, OTTAWA, October 7th, 1911.

SIR,—I have the honour to acknowledge the receipt of your letter of the 27th ultimo, in which you suggest that when a Departmental Cheque for a refund or drawback is due to an individual firm, the Collector should endorse such cheque over to the party entitled thereto.

In the opinion of the Department the present practice is preferable to that you propose, as for greater security we desire that the Collector shall be responsible for the endorsation on the cheque, and this would be impossible if the Departmental cheque were endorsed over to the individual. Under the present arrangement a full record of the payment is shown in the Collector's monthly bank statement, and the port cheque is forwarded to your office for examination.

I am, sir, your obedient servant,

JOHN McDOUGALD,
Commissioner of Customs.

The Auditor General.

Re **Customs Revenue.**

AUDIT OFFICE, OTTAWA, January 7th, 1912.

SIR,—On November 29th last, the Collector's returns for April, May and June, reached this office: none since.

The Refund and Drawback vouchers for August are the last to hand.

It is necessary for the performance of the work of audit that these returns and vouchers should reach us as promptly as possible.

Is there any reason why Collectors' returns should not be forwarded monthly, or why each month's returns should not reach us within the next two months?

Your attention is requested.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Commissioner of Customs.

DEPARTMENT OF CUSTOMS, OTTAWA, February 2nd, 1912.

SIR,—I beg to acknowledge the receipt of your letter of the 17th ult., respecting delay in furnishing your Office with the monthly revenue returns of Collectors of Customs and find upon enquiry that the delay in forwarding these returns has been caused by the practice of our officials in awaiting the receipt in the Department of reports from a few unimportant places.

There is no reason why these returns should not be forwarded to you within a period of sixty days after the close of each month and I have given instructions that they are to be so forwarded in future—the missing returns to be noted on the statements.

I am advised that the refund and drawback vouchers for the month of September were sent you on the 20th ult., and that the vouchers for October will be forwarded early next week.

The Accountant has been instructed that these vouchers are to be forwarded to your office more promptly in future.

I am, sir, your obedient servant,

JOHN McDOUGALD,
Commissioner of Customs.

The Auditor General.

Re **Customs Inspections.**

AUDIT OFFICE, OTTAWA, January 27th, 1912.

SIR,—The following Ports and Outports do not seem to have been inspected during 1911, viz.:—

* * * * * * * * * *

Owing to the practice, which seems to be general, of depositing each day the receipts of the previous day, it is possible that a portion of the current day's receipts might be used to make up the previous day's receipts.

The only means of discovering if this were done, is by the Inspectors counting the cash immediately on commencing their inspection, which, no doubt, they do

Are the daily entries from each port forwarded to your Department and examined and audited?

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Commissioner of Customs.

DEPARTMENT OF CUSTOMS, OTTAWA, March 25th, 1912.

SIR,—I have the honour to refer to your letter of the 27th January last, in which you state that certain ports and outports do not appear to have been inspected during 1911, and would advise you that inspection reports for the following offices have been sent you since your letter was written, viz.:—Digby, N.S., Middleton, N.S., Yarmouth, N.S., Guelph, Ont., Grand Forks, B.C., Carson, B.C., Cascade, B.C., Trail, B.C., and Waneta, B.C.

Your officers apparently overlooked the receipt of some inspection reports, as upon examination of our records I find that reports of inspection of the following offices were sent you on the dates mentioned, viz.:—

Paspebiac, Que.....August 4th, 1911.
Bridgeburg, Ont.....January 4th, 1912.
Kingston, Ont.....January 4th, 1912.
Bath, Ont.....January, 4th 1912.
Portage la Prairie, Man.....January 5th, 1912.

The inspection of Big Muddy, Willow Creek, and Wood Mountain, Sask., has been delayed, owing to the superannuation of Inspector G. H. Young, but this work will be undertaken by Inspector H. C. Graham, at the earliest possible date.

Similarly the inspection of the Port of Nelson and Outport of Kaslo has been delayed because of the continued illness of Inspector John Kenny, but these offices will be inspected as soon as possible by Mr. Inspector A. C. Paterson, recently appointed, and Mr. Kenny who returned to duty this month.

The office at Key Harbor, not Key Hart, was not open in 1911, and the Department is not prepared at present to send an officer to Moose Factory and York Factory to inspect these places where duties are collected from the Hudson's Bay Company only.

With respect to your remarks as to the possible use of a portion of one day's receipts to make up the deposit for receipts of the previous day, you are advised that the Inspectors count the cash immediately on commencing their inspection.

The daily entries of each port are forwarded to the Department and examined and audited.

The Customs office at Middleton, with all papers and records, was destroyed by fire on 27th January, 1911, but the report of inspection of business at that port since that date was sent you on the 20th instant.

I am, sir, your obedient servant,

JOHN McDOUGALD,
Commissioner of Customs.

The Auditor General.

Re **Customs Montreal, Special Account.**

AUDIT OFFICE, OTTAWA, January 4th, 1912.

SIR,—The Collector of Customs, Montreal, collects wharfage which is paid over to the Harbour Commissioners. The amount paid over in November was $53,500.

I should like to know what supervision your Department exercises over these receipts and payments. Do the officers of the Harbour Commission check the amounts collected and give the Collector a satisfactory acquittance?

Pilotage amounting to $725.54, was also collected and paid over in November to the Corporation of Pilots. Do the officers of this Corporation check the receipts and give the Collector satisfactory acquittance?

There is held in this account $28.47, for outstanding cheques issued between 1904 and 1908. Should this amount not be deposited to credit of Receiver General?

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Commissioner of Customs.

DEPARTMENT OF CUSTOMS, OTTAWA, January 22, 1912.

SIR,—Referring to your letter of the 4th instant, respecting Special Account, Customs, Montreal, the Collector of Customs at Montreal reports as follows:—

"Some years ago the Harbour Commissioners created an audit branch for the special purpose of checking wharfage account, and two of their officers, with headquarters at the Custom House, are engaged solely on this work. Wharfage papers, &c., are checked by these officers and the daily collections are audited and a record thereof kept by them. We remit to the Harbour Commissioners twice a month by cheque, and get receipts. The paid cheques returned by the Bank, and sent to the Auditor General with the monthly Special Bank Statement, are additional vouchers.

"The Corporation of Pilots, Quebec, keep a close check on pilotage collections. When the sea pilotage is paid at this port the master of the vessel is given a receipt which is handed to the pilot when he boards the vessel at Quebec. In default of such receipt the pilotage is exacted at Quebec. For some seasons

past most of the pilotage fees have been paid direct to the Corporation, and they see that every vessel requiring a pilot is duly accounted for. A detailed statement of collections at this port is forwarded to Quebec after the close of each month. We notify the Corporation on the last day of the month of the amount to their credit, and their practice is to draw on the Collector through the Banque Nationale. The paid cheques, which accompany the Special Bank Statement to the Auditor General, and the paid drafts are our vouchers."

With regard to your inquiry as to outstanding cheques issued between 1904 and 1908, amounting to $28.47, you are advised that this amount covers 19 cheques issued as refunds of sums over in cheques tendered by importers in payment of duties. The Collector at Montreal has been instructed to again notify the importers that these cheques are outstanding, and to arrange to have them cleared from the balance sheet at an early date.

I am, sir, your obedient servant,

JOHN McDOUGALD,
Commissioner of Customs.

The Auditor General.

AUDIT OFFICE, OTTAWA, June 6th, 1912.

SIR,—I beg to draw your attention to voucher No. 4017 covering distribution of certain Special Branch Seizures.

According to this voucher Inspector Geo. H. Young received, as seizing officer, $1,007.15 on account of seizures Nos. 1734 and 1735.

As Inspector Young is in receipt of a salary of $2,500 per annum, it would appear that he is not entitled to any award or share in the proceeds of fines or penalties imposed in connection with Customs seizures, under the provisions of Order in Council of 8th June, 1892. I shall be glad to know if amendments have been made to this order enabling officers in receipt of more than $2,000 salary to participate in awards of seizures.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Commissioner of Customs.

Investigations under the Inquiries Act: Marine and Fisheries: Commissioner Beaubien's Accounts.

AUDIT OFFICE, OTTAWA, April 17, 1912.

SIR,—I have received your application to pay Mr. L. O. Beaubien's account for investigation re Bell and Duval. I wrote you on the 4th instant, stating that I thought the time charged in accounts re Dion, Querrie and Pelletier was excessive for the services performed.

As I have no personal knowledge of the time spent in these investigations and I presume you cannot of your own knowledge certify that the accounts are correct in this respect, it will be necessary for Mr. Beaubien to make a statutory declaration that the time charged in his several accounts has been actually spent on these investigations as stated in his accounts.

In the meantime I will have to withhold payment.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. FRASER, *A.G.*

MARINE AND FISHERIES DEPARTMENT, OTTAWA, April 27, 1912.

SIR,—I beg to inform you that as requested by your letter of the 4th instant the Department wrote to Commissioner L. O. Beaubien to obtain information as to the charges made in his account for attendance in connection with the work of the Commission. A copy of Mr. Beaubien's reply is enclosed herewith.

If the explanation is satisfactory, kindly forward a cheque for the balance due to Mr. Beaubien.

I am, sir, your obedient servant,

The Auditor General. A. JOHNSTON, *D.M.M. & F.*

QUEBEC, April 13, 1912.

SIR,—In reply to your letter of the 9th instant, I beg to acknowledge receipt of a cheque for $300 being part payment of my fees re investigation into the case of Dion, Querrie and Pelletier, the total amount of which is $382.35.

On my last visit to your office at Ottawa, during the month of February last, I had the honour to explain how it happens that, outside the time taken up by the investigation itself, I am sometimes engaged for quite a long while in performing the work my commission entails upon me. I beg to again refer to this subject.

As you know, sir, the information supplied me by your Department in regard to these investigations, is very meagre, you state in a letter or in a solemn declaration that "Such person is charged with political interference, that so and so is a drunkard, &c., please inquire into this." I have still before me some of these investigations which I have been unable to carry out on account of the distance and the bad roads, and as regards which I have not even been supplied with the name of the informer.

In every case I have to find some person from whom I can obtain the necessary information; I have to see that person and to procure from him all the information possible, I have to summons the witnesses to my office to question them with a view to ascertaining what kind of an argument they can advance, as so to eliminate the useless ones, and very often I have to find others,

&c. In cases of this kind, as for instance the cases of Dion and Querrie two days of my time were taken up, but I only charged for one.

Very often and more particularly in the case in point, I had to see and to call for the informer five or six times so as to fix with certainty the date of the investigation. You will understand that I cannot afford to lose my time for the love of the Government, and that I must be paid for the work I perform.

In all these investigations, even in that concerning Pelletier which wound up by an *ex-parte*, the defendants were represented by their lawyers. I always considered that the accused had the right to be represented by their attorneys and I had to give them a hearing. In the investigations referred to, you must reckon with the time employed in presenting objections to the investigations, and in the above cases the objections were very numerous; whenever they took up too much time in discussing, I stopped the discussion but as long as there was no abuse my duty was to listen to them. One case might have taken one day's time, or at the most half a day's time, lasted much longer and this will explain that certain work took up two days of my time. The Dion investigation was one of the longest and Messrs. Fradette and Lachance, who were hunting up witnesses, called at my office every day and several times a day for the purpose of supplying me with the necessary information.

In other words I declare on my honour as a gentleman that the several investigations I have held since I was appointed a Commissioner have taken up the three-fourths of the month of March. In February I was absent in Ottawa and Montreal for ten days, and half of the nineteen remaining days were employed in looking into these investigations, to such an extent that I had to neglect my cases before the Superior Court, the Revision Court and the Court of Appeal, where they are now pending.

It may be that briefless lawyers may carry out investigation for next to nothing, but I sincerely declare that I do not wish to imitate them. I perform my duty conscientiously and I mean to be paid what that is worth, at least as far as the fees allowed by the Government will permit. You should not think that the sum of $15 a day is an extraordinary allowance to receive from the Government, especially from the Canadian Government. I already charged private parties in cases of investigations which caused me much trouble, $40 for each additional day, when the fee granted me was $20 and after sueing them before the courts, my contention was sustained.

You will therefore, see that an allowance of $15 per day is not such a wonderfull thing, in fact, I consider it very small.

I know that my confrere and friend, Emile Gelly, ex-investigating Commissioner for the railways, being desirous of showing his zeal for which he got no recompense, began to sit at 9½ a.m. until one or two after midnight, hardly taking time to eat, ingeniously believing that the Government would take into consideration that this represented more than a day's work, but this zeal was to no effect and he got nothing for it. I do not wish to imitate him and have given such time as a judge gives for one day, consider $15 a very meagre pay for my work.

I do not know whether these explanations will be sufficient, but suffice it to state that I do not intend to lose my time but wish to be paid for the time I employ in your work.

These continuous criticisms are annoying to me, and if they repeat themselves too often, my only course will be to tender my resignation to the Hon. Mr. Hazen.

It is always an easy matter, when a neighbour is concerned to find charges excessive, but such is not the case as regards him who has had all the trouble

and who deducts nearly one third of the time he has lost so that his charges may not be considered exaggerated.

The Auditor General seems astonished that I have taken at times one and a half days to read the shorthand notes. I do not suppose the Auditor General expects me to start the reading of these notes at 8 a.m. to wind up at 12 p.m. I have devoted an office day's work to the above reading and the Government is not entitled to a longer day's work from me than my ordinary clients are. Besides, there are several ways of reading, when I read a case over, I annotate it so as to be able to use it when preparing my report, and all those who have any idea of a lawyer or a judge's duties know that this takes up some time.

I have written at some length once for all, and if the Auditor General keeps on criticising my accounts I shall inform the Minister so that he may entrust this work to somebody else, for as I said before, this annoys me very much. I already had the honour of being employed as a lawyer by my Province and was never criticised as regards my accounts, which were often much higher than those I have forwarded you, and for less arduous work than that required by these investigations.

To sum up, allow me to declare on my word as a lawyer that I employed the whole time specified in my accounts and that I even put in more time than was charged for.

In conclusion my conscience is as scrupulous as that of any one else and let me tell you that I would never claim from the Government payment for work I did not perform, any more than I would dream of doing so in cases of private parties.

Hoping that these explanations will be found satisfactory,

I remain, yours very truly,

L. OMER BEAUBIEN.

The Deputy Minister of Marine and Fisheries.

AUDIT OFFICE, OTTAWA, May 1, 1912.

SIR,—I have to acknowledge receipt of your letter of 27th instant, enclosing a letter from Commissioner Beaubien in justification of the charges in his accounts for various investigations.

Mr. Beaubien appears to have misunderstood one important request in my previous letter on this subject, I asked for a statutory declaration that the time charged in the accounts was actually spent in connection with the investigations. Instead of a statutory declaration he says:
"allow me to declare on my word as a lawyer that I employed the whole time "specified in my accounts and that I even put in more time than was charged "for." This is not a statutory declaration and, without casting any reflection on the word of a lawyer, I would prefer the statutory declaration.

I enclose a summary of Mr. Beaubien's accounts showing the time claimed at $15 per day and would request that you ask him how he put in 1¼ days on 3rd January, 2 days on 4th January, 1½ on 5th, 1¼ on 7th (Sunday), 1½ on 9th, 2 on 10th, 1½ on 11th, 2½ on 12th, 1½ on 13th, ½ on 14th (Sunday), 1½ on 15th, 1½ on 16th, 3 days on 17th, 3 on 18th, 4 on 19th and 20th, 2 on 22nd, 2 on 25th, 1¼ on 5th March, 2 days on 17th and 18th March (17th Sunday). Mr. Beaubien complains of criticisms of his accounts. Judging by the above I think the accounts are open to criticism. In the meantime I shall have to withhold payment until the matter is satisfactorily explained.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. FRASER, A.G.

MARINE AND FISHERIES DEPARTMENT, OTTAWA, May 20, 1912.

SIR,—I beg to enclose herewith a letter received from Commissioner L. O. Beaubien, containing his explanation of charges made in the accounts rendered in connection with the various investigations which were held by him.

I have the honour to be, sir, your obedient servant,

The Auditor General. A. JOHNSTON, *D.M.*

QUEBEC, May 9, 1912.

DEAR SIR,—Your favour of the 7th instant (32,477) is at hand. You are speaking of my letter of the 29th ultimo; I presume you must have received mine of the 3rd instant with another statutory declaration, in which I corrected the date of the first one.

My explanations for the Auditor General, as stated in the 3rd paragraph of your letter are as follows:

When I held these various investigations, I tried to hurry on in order to satisfy those who had asked for these investigations and so I very often worked over the time which a professionnal man is presumed or supposed to be at his office. I allowed 8 hours work for a day and if I worked more, I charged the *pro rata per diem*. Thus it came, for example, on the 3rd of January that having been busy in the work of my investigations 10 hours, I find that it was $1\frac{1}{4}$ days and so on, that is January 4th, 16 hours or 2 days; January 5th, 12 hours or $1\frac{1}{2}$ days.

Concerning the remark that January the 7th was a Sunday and that I charged $1\frac{1}{4}$ days, that is 10 hours work, I feel that the Auditor General, being probably a Protestant, he does not know that according to our faith, we are not prevented from working at an intellectual work on Sunday time. If he was acquainted with the habits of the advocates into the Province, he would be made aware that there is not a single lawyer who does not work on Sunday, viz: to prepare a case for the Monday following.

Then, I thought, and I still think, that being busy with work connected with my investigations on Sunday, I had the right to perform the work and charge for.

You have there my explanations.

And now referring to the last paragraph of your letter, I may tell you, for the present, that not being paid for the work done before, I surely had no intention of going on with any other investigations. Further on, about the last paragraph of your letter, I will have to say something more, but for the present I feel I have said enough.

I would be very much pleased, if you were kind enough, to acknowledge receipt of my letter and to tell me if you find it satisfactory. Let me add that I am very much tired with all these troubles.

Yours very truly,

L. OMER BEAUBIEN.

The Deputy Minister of Marine and Fisheries.

MARINE AND FISHERIES DEPARTMENT, OTTAWA, May 27, 1912.

SIR,—In accordance with the request contained in your letter of the 22nd instant, I have the honour to enclose herewith the Statutory Declaration furnished the Department by Commissioner L. O. Beaubien, in connection with his accounts for the various investigations held by him.

I have the honour to be, sir, your obedient servant,

A. JOHNSTON, D.M

The Auditor General.

SOLEMN DECLARATION.

I, the undersigned, Léon Omer Beaubien, advocate of the City of Quebec, do solemnly declare as follows:

1. I am the Commissioner appointed to hold investigations for the Department of Marine and Fisheries, here, in the said City of Quebec.

2. I solemnly declare that the time charged for in Louis Duval's, Jean Dion's, Narcisse Pelletier's, Jos. Querrie's, Jos. Bell's and Louis Gonzague Lefebvre's account has been actually spent in the investigations as stated in the different accounts above mentioned.

And I make this solemn declaration believing it to be conscientiously true, and knowing that it has the same value and the same effect as if it was made under oath, in virtue of the Evidence Act, Canada, and I have signed.

L. OMER BEAUBIEN.

Declared before me this day, May 3, 1912

M. J. L. BERTRAND.

Commissioner of the Superior Court for the District of Quebec.

AUDIT OFFICE, OTTAWA, May 30, 1912.

SIR,—Enclosed please find a cheque in favour of Mr. L. O. Beaubien for $45 being balance due for services and expenses in connection with the investigations held for your Department.

The accounts show that the time occupied by Mr. Beaubien at these investigations was 35¾ days,* and as the allowance under the Order-in-Council is fifteen dollars for each full day the total payment for services is $536.25. The expenses amount to $259.10, making a total for services and expenses of $795.35. Of this amount $750.35 has already been paid, leaving a balance of $45.

I may observe that since the payment of $348.75 made in February last it has been found that three days in January (the 17th, 18th and 20th) were charged and allowed in the Gregoire investigation and the same days charged and inadvertently allowed in the Hamel investigation. The overpayment ($45) has been adjusted in this final payment.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister of Marine and Fisheries.

*Mr. Beaubien claimed 51½ days services.

Investigations under the Inquiries Act: Railways and Canals: Commissioner Gelly's accounts.

AUDIT OFFICE, OTTAWA, April 26, 1912.

DEAR MR. BELL,—I have examined the accounts of Mr. Emile Gelly, Investigating Commissioner, for $1,140, which you left with me a few days ago. I have had a summary made and enclose a copy herewith.

Mr. Gelly must have overlooked the terms of the Order in Council allowing $15 per day for a full day's work spent on the investigations. For instance, see the work done on Dec. 12, 13, 14 and 15 and charged in each case at 1 day. Surely he does not contend that "Preparing and addressing subpœnas and copies for 27 witnesses" required a full day. Jan. 15, 16, 17 and 18 preparing reports 4 full days. In a number of cases 2 or 3 days are charged for the same day as follows:—Jan. 4, 2 days, Jan. 5, 2 days, Feb. 1, 2 days, Feb. 22, 2 days, Feb. 29, 2 days, March 1, 3 days, March 2, 3 days, March 5, 2 days, March 9, 2 days, March 15, 2 days, April 1, 2, 3, making out his account, $45. Does he expect payment for this? Surely not. Dec. 24 (Sunday) "Hearing Witnesses," Jan. 7 (Sunday), Feb. 18 (Sunday). Did he hold an investigation on Sunday?

I return Mr. Gelly's account and would suggest that you ask him to revise it carefully before presenting it for payment as it cannot be seriously considered in its present shape.

Yours truly,

J. FRASER, A.G.

G. A. BELL, Esq., Departmental Auditor, Railways and Canals.

NOTE—The summary of Mr. Gelly's accounts, referred to above, appears on pages 48 and 49.

DEPARTMENT OF RAILWAYS AND CANALS, OTTAWA, May 23, 1912.

DEAR SIR,—Referring to your letter of April 26, relative to accounts of Commissioner E. Gelly, I wrote to him along the lines of your letter and enclose you his reply thereto together with his accounts, as submitted.

Yours faithfully,

G. A. BELL, Departmental Auditor.

The Auditor General.

QUEBEC, May 21, 1912.

DEAR SIR,—I send you back my bills of fees re Investigations I.C.R. employees, corrected as demanded.

The Dube's investigation and some others required a long preparation and the charges are small considering the work done. On several occasions, I was obliged to work at night, after a whole day's work. I did it for the purpose of saving time and expenses, believing honestly that the Order in Council would be construed in a way to allow me all the work really done by me. That should be taken into consideration by the Auditor General in the payment of my account.

Yours very truly,

E. GELLY.

Mr. G. A. BELL.
Auditor, Department of Railways and Canals.

AUDIT OFFICE, OTTAWA, May 31, 1912.

SIR,—I beg to acknowledge the receipt of your letter of the 23rd instant returning the accounts of Commissioner Emile Gelly as revised by him. The revision you must have observed consisted in changing the dates so that the Sundays disappear as well as most of the double charges for single days, without any reduction in the amount claimed.

I may state that I have gone over his accounts carefully and considering the services performed as shown by the accounts I am of the opinion that 48 days' services should be sufficient unless there is other information to show that the time claimed by him was fully occupied with the investigation. If your Department considers that he should be paid for the full time claimed, 76 days, I shall require your certificate to that effect.

As regards the accounts covering disbursements and expenses they will also have to be approved before payment. The charges for stenography and typewriting amount to $246.90. I have no means of determining whether the work is worth the amount charged. The charge for typewriting each report is $2.50 (except the Dubé report which is $7.70) and 70c. a page for reporting and typewriting the evidence. You have the reports and can certify as to whether the prices are fair and just.

The accounts are returned herewith.

I am, sir, your obedient servant,

G. A. BELL, Esq.
Departmental Auditor, Railways and Canals.

J. FRASER, A.G.

Note by Auditor General—

On application of Dept. Railways and Canals, dated June 19, 1912, a cheque in favour of Mr. Gelly for $997.58 was issued, as follows:—

Services 48 days at $15	720 00	
Expenses	577 58

Investigations under the Inquiries Act: Public Works Dept.

AUDIT OFFICE, OTTAWA, July 10, 1912.

SIR,—My attention has been called to several accounts, for services and expenses of commissioners appointed under the Inquiries Act, which were irregularly paid out of your Letter-of-Credit instead of being forwarded to this office for audit and payment by Receiver General's cheque.

Among the payments is one of $269.50 to Commissioner A. N. U. Lacasse for services and expenses in connection with an investigation into charges against H. N. Lymburner, Montreal. In this account there is a charge of $65 for 13 days living expenses at $5 a day. Of this amount $55 (11 days at $5) should not have been paid as the Order-in-Council of January 3 last provides for living expenses only when the Commissioner is absent from his place of residence. The amount should be refunded. The investigation was held in Montreal where, I understand, Mr. Lacasse resides. For the two days he was employed outside of Montreal he should have furnished vouchers for his living expenses as the allowance is only $3 a day in the absence of vouchers.

In connection with this investigation there is another account which you paid, viz.: that of the stenographer, Marcel Gabard, for $125.

I should like to know how this amount was arrived at. Please furnish the number of folios and the rate, also a certificate, as required by Order-in-Council of December 21 last, that the charges do not exceed the current rates in Montreal.

I am, sir, your obedient servant,

E. D. SUTHERLAND, for A.G.

The Deputy Minister Public Works.

Note by A.G.—No reply received.

AUDIT OFFICE, OTTAWA, Sept. 16, 1911

Re **Seizures.**

SIR,—I have received an Order in Council authorizing the payment to the seizing officer and informer of $489.95 the net proceeds of fine imposed for infraction of regulations *re* Methulated Spirits.

You made these payments through your Letter of Credit in August.

The receipt for the fine imposed $500 was seemingly credited to Methylated Spirits Revenue. Please let me know the No. of the Revenue Return on which it was entered.

The practice in your Department is to credit proceeds of seizures and fine to the Revenue account. There is a separate account, Fines and Forfeitures, to which they should be credited.

You are aware, I assume that the Customs Department only distribute to the seizing officers and informers one fourth of the gross proceeds, while you distribute the whole of the net proceeds.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister Inland Revenue.

DEPARTMENT OF INLAND REVENUE, OTTAWA. September 22,1911.

SIR,—I beg to acknowledge the receipt of your communication of the 16th instant referring to the Order in Council of the 10th ult. distributing the net proceeds of a fine of $500 imposed for infraction of regulations *re* Methylated Spirits.

In reply to your inquiries I beg to state that this sum was reported on Revenue Return No. 210 of March 15, 1905. I am advised that it was shown as Methylated Spirits Revenue on account of 'penalty'.

The distribution of Inland Revenue penalries is made under an Order in Council dated June 30, 1868 which allows the distribution of the full penalty up to the sum of $500.00. As the Order in Council quoted refers to Excise penalties it was necessary to secure a special Order for a methylated spirit penalty but this distribution was based upon the provisions of the original Order.

I remain, sir, your obedient servant,

W. J. GERALD,
Deputy Minister.

Re Bonded Manufactures—Montreal.

5th October, 1911.

SIR,—The receipts from Bonded Manufactures, Montreal, for the last five years have been as follows:—

1906–07, 9 months	$ 6,975.79
1907–08	9,670.24
1908–09	11,170.11
1909–10	12,121.85
1910–11	6,360.87

How is the large decrease last year accounted for?

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue. J. FRASER, *A.G.*

DEPARTMENT OF INLAND REVENUE, OTTAWA, October 9, 1911

SIR,—I am in receipt of your letter of the 5th instant requesting to be advised as to the manner in which the Department accounts for the decreased revenue from manufactures in bond for 1910-11, at Montreal, as compared with previous years.

In reply I beg to state that all excise revenues are dependant upon the production and subsequent exwarehousing of goods manufactured under license. During the year 1910-11 the quantity of vinegar produced at Montreal was 155,816.62 proof gallons as against 256,151.68 in 1909-10; 260,160.56 in 1908-09 and 227,281.74 in 1907-08, the quantity actually entered for consumption during these years being respectively, 145,270.67; 289,295.65; 264,252.99 and 228,006.35 proof gallons.

If you will refer to statement 12 of the reports for 1910-11 and 1909-10 you will observe that the aggregate revenue derived from vinegar was respectively $74,564.51 and $74,716.75.

The decrease in Montreal is therefore, evidently, due to the fact that their competitors are taking away from the Montreal manufacturers a portion of the trade which they formerly enjoyed.

I remain, sir, your obedient servant,

W. J. GERALD,
Deputy Minister.

Re Warehouse Licenses.

October 7, 1911.

SIR,—The receipts from Warehouse Licenses in 1909-10, were $5,330; in 1910-11, $12,875.

The receipts for 1909-10 were less than usual. Your attention was called to this, and in your reply, dated June 30 1910, you stated that the falling off in receipts was entirely due to the fact that fewer persons applied for licenses in 1909-10 than in the preceding years.

Presumably a very much larger number of persons applied for licenses in 1910-11 than in previous years; or is the large increase otherwise accounted for?

The receipts for licenses at Cornwall in 1909-10 were $40; nothing in 1910-11.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister of Inland Revenue.

DEPARTMENT OF INLAND REVENUE, OTTAWA, October, 9, 1911.

SIR,—I am in receipt of your letter of the 7th instant calling my attention to the fact that the receipts from warehouse licenses had increased from $5,330 in 1909-10 to $12,875 in 1910-11 and stating that on a previous occasion where there had been a decrease I had advised you that said decrease was due to fewer persons applying for licenses that year and that presumably in this instance, unless otherwise accounted for, a very much larger number of persons had applied for licenses in 1910-11 than in previous years.

In reply I beg to advise you that the increase in 1910-11 over 1909-10 is due to the annual license fee having been increased, on April 1st, 1910 from $20 to $50.

In the year 1900-10 there were two licensed bonding warehouses at Cornwall. Since the end of that fiscal year no renewal thereof has been made.

I am, sir, your obedient servant,

W. J. GERALD,
Deputy Minister.

Re Weights and Measures.

November, 6, 1911.

SIR,—I inclose a statement showing the increase and decrease in the expenditure and revenue on account of Weights and Measures, comparing 1909-10 with 1910-11.

I also inclose a statement comparing the expenditure and revenue of each office.

The large excess of expenditure over revenue at so many offices calls for some explanation.

I have to ask for a statement showing the receipts during 1910-11 from each Sub-Inspector.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue. J. FRASER, *A.G.*

NOTE.—No reply received.

AUDIT OFFICE, OTTAWA, March 20, 1912.

Re **Ferries.**

SIR,—The fee for Ferry license at Quyon, $70 has not been paid for last two years.

You stated in your letter of May 4 1911 that the lease expired on 1st May 1910, and no lew lease has yet been entered into.

I have to inquire if you advertised in the 'Canada Gazette' and any news paper published or circulated in the locality offering the license to public competition, as directed by Ferries Act, Chap. 108, Sec. 5.

For some years a fee of $200.50 was paid for a license for ferry between Lapasse and Gower Point, For the last three years, $50 per annum was paid. Nothing has come to account for the current fiscal year.

In 1907-08, $100.25 was paid for license for ferry at Rainy River nothing since.

I am, sir, your obedient servant,

The Deputy Minister Inland Revenue J. FRASER, *A.G.*

DEPARTMENT OF INLAND REVENUE, OTTAWA, March 25, 1912.

SIR,—I am in receipt of your communication of the 20th inst. *re* 'Ferries.'

In reply I am inclosing copy of a memo prepared by the Secretary of the Department which fully explains this matter.

I am, sir, your obedient servant,

Enclosure.

W. J. GERALD,
Deputy Minister.

DEPARTMENT OF INLAND REVENUE, OTTAWA, March 21, 1912.

MEMO.

With reference to the inquiry of the Auditor General on the subject of ferries, I beg to state—

First—That the 'Quyon Ferry' was granted by Order in Council of the 28th March, 1905, to W. H. McLean of Quyon, for a period of five years, from the 1st May, 1905 at the annual rental of $70—expired on the 1st May, 1910. No license for this ferry has been issued since.

Second—The ferry across the Ottawa River at Lapasse, was licensed to J. & T. Vaillancourt of Fort Coulonge, by Order in Council of the 15th February 1908, for a period of five years from the 1st May, 1908, at the annual rental of $50. This License will not expire until the 1st May, 1913.

Third—The ferry across the Rainy River was granted to P. T. Roberts by Order in Council of the 15th day of January, 1909, for a period of five years from the 1st May, 1909 at the annual rental of $25.

As regards the 'Lapasse Ferry,' the Licensees not having sent forward their rent as required, an account was again sent to them on the 14th instant for $50 and the Department expects that the same will be paid within the next few days.

As regards the 'Rainy River Ferry,' the Licensee P. T. Roberts, claimed that he did not desire to continue the license and it was duly cancelled by Order in Council of the 22nd October, 1910.

The license governing this ferry has recently been granted for a period of five years from the 1st May, 1912 to John W. Collins but the rent will not be payable until the 1st May, proximo.

As regards the re-licensing of ferries when they expire, I have always understood that it was the policy of the Honourable the Minister not to force upon any locality a ferry, but that it was only in the event of the public demanding that a ferry should be run under the provisions of the 'Ferries Act' that the privilege was granted, and consequently, when any license expires, if the Licensee does not intimate to the Department that he desires to renew, the matter is allowed to drop and, if he chooses to continue his ferry, he is at liberty to do so, but he cannot prevent any other person ferrying at the same point as where the ferry which has heretofore been licensed, runs.

On one or two occasions it was ascertained that it was not the desire of the public to have a duly licensed ferry run inasmuch as there were conflicting interests.

There is nothing in the law which makes it compulsory to license a ferry and the Department, as far as I am aware, has never undertaken to advertise for the running of an Interprovincial ferry on the expiry of a license, there by incurring the expense of advertising with probably no result.

This was done in one case, viz:— the 'New Edinburgh and Gatineau Point Ferry' which the then Minister would not grant, there being only one tender of $5 a year and consequently the ferry has been running for the last ten or fifteen years and is still running without a license.

WM. HIMSWORTH,
Secretary.

AUDIT OFFICE, OTTAWA, March 26, 1912.

SIR,—I have received your letter of the 25th enclosing a memo prepared by the Secretary of your Department in reply to my letter of 20th.

He states that there is nothing in the law which makes it compulsory to license a ferry, and the Department has never undertaken to advertise for the running of an Interprovincial ferry on the expiry of a license. Yet the Act, Sec. 5, expressly directs that this shall be done.

Your Secretary also states that it was the policy of the Honourable the Minister not to force upon any locality a ferry, and when a license expires, if the licensee does not intimate to the Department, that he desires to renew, the matter is allowed to drop, and if he chooses to continue his ferry, he is at liberty to do so, but he cannot prevent any other person ferrying at the same point.

The weakness about this arrangement is that the public, have no means of knowing, that they or any one of them is at liberty to run a ferry, and the probability is that the former licensee retains without paying any fee, all the rights previously enjoyed when under license.

On further consideration you will no doubt decide it will be better to comply with the Act, and advertse for a lessee, when a license lapses.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister Inland Revenue.

Re Distillery Returns.

AUDIT OFFICE, OTTAWA, May 3, 1912.

SIR,—I have recently received the Distillery returns for 1911-1912.

It would be more satisfactory were you to forward these returns monthly.

These returns are sworn to by two officers representing the Distillers, and signed by the officer in charge and by an officer representing the collector. There is no evidence on them of thier being examined in your Department, which no doubt they are. With the Departmental certificate added, I would feel justified in accepting these returns, without any further audit.

One of the important items to be verified seems to me, to be the removal to other Divisions, and this is one reason why I would ask for the certificate of your Departmental officer.

I assume the Inspector of Distilleries, visits them regularly and reports the result of his inspections. I would ask that copies of his reports be furnished.

I am, sir, your obedient servant,

The Deputy Minister of Inland Revenue. J. FRASER, *A.G.*

DEPARTMENT OF INLAND REVENUE, OTTAWA, May 7, 1912.

SIR,—I have the honour to acknowledge the receipt of your communication of the 3rd instant on the subject of the Distillery Returns sent to you and, in connection therewith have the honour to say that, for the future, your suggestion as to sending over the Returns monthly will be complied with.

A representative from your Department visited the person in charge of the distillery books in this Department and everything was fully explained to him.

I may say that the several District Inspectors in whose Districts Distilleries are in operation, periodically visit the Distilleries the same as they do with all other Excise Establishments.

There has been no Inspector of Distilleries appointed for some time past.

I am, sir, your obedient servant,

WM. HIMSWORTH,
Asst. Dep. Min. & Secretary.

The Auditor General.

Feeding Stuffs.

AUDIT OFFICE, OTTAWA, May 8, 1912.

SIR,—The Act Chapter 15, 8-9 Edward VII, relating to Feeding Stuffs, provides by Sec. 9 that no manufacturer or agent shall sell any feeding stuff unless he has a license, the fee for which is fixed at $5.

This license is only good for the calendar year in which issued, but may be renewed from year to year.

Sixty three licenses were issued during 1910-11 and only fifty during 1911-12, seemingly some of the Licensees have either gone out of business or have overlooked renewing their licenses. I have to ask what supervision is taken in your Department in reference thereto.

I am, sir, your obedient servant,

The Deputy Minister Inland Revenue. J. FRASER, *A.G.*

DEPARTMENT OF INLAND REVENUE, OTTAWA, May 17, 1912.

SIR,—With reference to your communication of the 8th instant on the subject of licenses issued under the 'Feeding Stuffs Act.' I have the honour to inform you that the number of licenses issued during the calendar year ending 31st December, 1911 was fifty-four, of these twelve licenses were either cancelled or not renewed to 31st March, 1912, leaving a total of forty-two renewals for the calendar year 1912 which with four new licenses issued makes a total of forty-six licenses issued and in force at the present time. I enclose detailed lists herewith.

I may state that while the delinquents have been advised regarding the non-renewal of licenses the Department has no recourse other than (when collecting samples), the prosecution of such individuals or firms as are found thereby to have their feeding stuffs offered for sale in violation of the provisions of the Act.

I am, sir, your obedient servant,

WM. HIMSWORTH,
Assistant Deputy Minister and Secretary.

Fertilizers.

AUDIT OFFICE, OTTAWA, May 8, 1912.

SIR,—The Act Chapter 16. 8-9 Edward VII, relating to Fertilizers provides by Sec. 9 that no manufacturer or agent shall sell any fertilizer unless he has a license, the fee for which is $5.

This license is only good for the calendar year in which issued, but may be renewed from year to year.

Some 8 or 9 firms which obtained licenses in 1910-11, did not have them renewed in 1911-12. Have these firms been notified thereof?

I am, sir, your obedient servant,

The Deputy Minister Inland Revenue. J. FRASER, *A.G.*

DEPARTMENT OF INLAND REVENUE, OTTAWA, May 17, 1912.

SIR,—With reference to your communication of the 8th instant on the subject of licenses issued under the 'Fertilizers Act', I have the honour to inform you that the number of licenses issued during the calendar year ending 31st December, 1911 was fifty-three, of these twelve licenses were either cancelled or not renewed to the 31st March, 1912, leaving a total of forty-one renewals for the calendar year 1912, which with the seventeen new licenses issued makes a total of fifty-eight issued and in force at the present time.

I may state that while the delinquents have been advised regarding the non-renewal of licenses, the Department, has no recourse other than (when collecting samples) the prosecution of such individuals or firms as are found thereby to have their fertilizers offered for sale in violation of the provisions of the Act. I enclose detailed list herewith.

I am, sir, your obedient servant,

WM. HIMSWORTH.

(a) The difference between the amount shown here and in the summary of Dominion Lands Revenue as having been redeemed, is accounted for by the fact that Military Red River Expedition Script, face value 1,440 acres was accepted as the equivalent of $1,440 in payment for lands.

(b) The difference in the balance outstanding Mch. 31 1911, viz. $39.85; is caused by an error made in charging this amount to the script issue of 1900 instead of 1901, in the year 1904.

(c) The difference in the balance outstanding Mch. 31, 1901, viz. 1,600 acres is caused by an error having been made in charging this amount against the issue of 1901 instead of 1900, in the year 1902.

Battleford Agents' Trust Account.

AUDIT OFFICE, OTTAWA, September 1, 1911.

SIR,—I beg to call your attention to the incomplete and unsatisfactory conditions prevailing in connection with the banking transactions of the Dominion Lands Agent at Battleford, during the four months ended July 31st, last.

No statement shave been received of the items held in suspense for the months of April, May and June. Without these it is impossible to check the Interim receipts issued.

The Agent has four books of Interin Receipts in use instead of one, thus complicating matters considerably.

The statement of the Suspense Account for July contains eleven items, which have been kept in that account for a period exceeding 60 days, that should have been deposited to the credit of the Receiver General on account of "Miscellaneous Revenue".

Interim Receipts Nos. 8074 and 8080, issued in July for $10.00 each, are not entered on the statement of the Suspense Account for that month, nor is there anything on the Counterfoils to indicate that the items were placed to the credit of Dominion Lands Revenue.

The Counterfoils of the cheques issued in April have not been received.

Agents are required to draw cheques for the Receiver General's Account on the 8th, 15th, 22nd and last days of the month, or not later than the day following. This Agent drew the cheques as follows:—

April 10th, 19th, 25th and 29th.
May 15th, 20th, 27th and 31st.
June 13th, 19th, 26th and 30th.
July 17th, 19th, 25th and 31st.

If there is any special reason why the agent cannot follow out the instructions in this regard, I should be glad to know it.

The statement of the Suspense Account for July, according to the Agent, was	$ 952.15
Outstanding Cheques to July 31st	340.07
	$1,292.22

According to the statement furnished by the Bank of British North America, the balance at the Agent's credit was only $1,155.06, or an apparent shortage of $137.16. Please let me have an explanation of this difference.

It is observed that no less than three letters and a telegram were sent by the Department to this agent with reference to some of these items, but without any result so far as I can see.

I have to request that you will give this matter your early attention.

I am, sir, your obedient servant,

THE DEPUTY MINISTER, INTERIOR. J. FRASER, *A.G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, Sept. 7, 1911.

Sir,—I beg to acknowledge the receipt of your letter of the 1st inst., in connection with the Battleford Trust Account returns.

The Agent has to day been requested to report on the different matters referred to in your communication, and as soon as a reply is received, you will at once be furnished with a copy of the same.

Your obedient servant,

The Auditor General. P. G. KEYES, *Sec.*

AUDIT OFFICE, OTTAWA, November 3, 1911.

Sir,—I wrote you on September 1st last, in reference to the unsatisfactory conditions prevailing in connection with the banking business of the Dominion Lands Agent at Battleford, during the four months ended July 31, 1911, to which you replied on September 7, stating that the agent had that day been requested to report on the different matters referred to, and that as soon as a reply was received, I would be furnished with a copy of same.

Two months have now elapsed without any further information on the subject.

I now beg to call your attention to the fact that no statements have been received of his banking business for the months of August and September last, while these have been received from all the other agencies, including the Yukon Territory.

Please let me have an explanation of the delay in furnishing the information asked for in my previous letter as well as in the transmission of the statenents above referred to.

It is observed that no inspection appears to have been made of this office since November 23, 1910.

Your early attention is requested.

I am, sir, your obedient servant,

The Deputy Minister, Interior. J. FRASER, *A. G.*

DEPARTMENT OF THE INTERIOR, OTTAWA, Nov. 13, 1911.

SIR,—I beg to acknowledge the receipt of your letter of the 3rd inst., in connection with the Trust Account of the Dominion Lands Office at Battleford.

I may say that for some months now, the Department has found it difficult to procure correct returns, and on 4th August 1911, the Inspector was requested to visit this Agency and make a complete report in connection with the revenue of the office. The Inspector, on his arrival at Battleford, found it impossible to adjust the cash, owing to the fact that the outstanding cheques had not been posted for some months. It was therefore necessary for the Department to prepare a complete list of cheques issued and paid in connection with the Battleford Trust Account from the 1st April to the 30th September, 1911, and forward it to the Inspector, which was done on the 28th October last.

On receipt of your letter of the 3rd inst., the following wire was sent to Inspector R. E. A. Leech:—"Wire when full report Battleford Trust Account may be expected". A reply was received on the 9th inst., that the Inspector hoped to mail a full statement on that day, and as soon as the report is received, a copy will at once be forwarded to you.

I may add that the trouble in connection with the Battleford Trust Account was owing to the illness of the Accountant of the office, who has since resigned.

Your obedient servant,

The Auditor General. P. G. KEYES, *Sec.*

DEPARTMENT OF THE INTERIOR, OTTAWA, November 20, 1911.

SIR,—Referring to the correspondence recently received in connection with the Trust Account statements of the Dominion Lands Office at Battleford, I beg to enclose herein the returns for the months of August, September and October, with a complete list of the items not dealt with on the 31st October, amounting to $452.85.

The Inspector reports a shortage of $52.49, which he states is clearly chargeable to the late Accountant.

Mr. Falconbridge was in poor health for months before giving up work the end of September, and this probably accounts for his statements being mixed up. The Agent is still holding Mr. Falconbridge's salary cheques for part of September and the month of October, amounting to $126.66, and will at once be instructed to deposit $52.49 in order to adjust the shortage in the Trust account.

The Interim Trust receipt coupons for October were not received, and the Agent has been requested to forward these documents as early as possible.

The Account has been adjusted in the Accounts Branch as follows:—

1911	DR.		
Oct. 31. . .	Outstanding cheques as shown by Agent	$ 2,148.59	
	Less cheque No. 1347 which was cashed August, 1911	30	
		$ 2,148.29	
	Items not dealt with Form 126	452.85	
			$ 2,601.14

1911	DR.		
Oct. 31. . . .	Balance shown by Bank	$ 2,038.65	
	Cash on hand not deposited	510.00	
	Short deposit by late Accountant	52.49	
			$ 2,601.14

I enclose herein a copy of a letter addressed today to the Agent at Battleford. Interim Trust receipts No. 8074 and 8080 referred to in your letter of the 1st September, 1911, were applied on the 13th July and 8th August, 1911, Homestead receipts Nos. 193544 and 193817.

The senior Assistant is now Acting-Accountant, and it is hoped no further trouble will be experienced in connection with the revenue of this office.

Your obedient servant,

P. G. KEYES, *Sec.*

The Auditor General, Ottawa.

DEPARTMENT OF THE INTERIOR, OTTAWA, November 20, 1911.

SIR,—I am directed to acknowledge the receipt of the Bank Account statement for the Month of October, 1911, and in this connection to enclose herein a copy of a letter that has today been addressed to the Auditor General.

Please report why the $510 in cash on hand on the 31st October was not deposited in the Trust Account before the monthly return was closed. I am also to ask you in future to enter in the Bank return the Receiver General's cheque transferring the revenue for the last week of each month and also the deposit to adjust the monthly statement before the Account is closed, and request the Bank Manager to take the same action in the statement he renders to the Department.

The counterfoils of the Interim Trust receipts for October did not accompany the return and I am to ask you to forward them at once. Cheque No. 1347 shown as outstanding in the Inspector's adjustment, and in your October statement, was cashed during the month of August, which reduces the shortage from $52.79 to $52.49. This balance of $52.49 should at once be deposited to the credit of the Trust Account and it is hoped that more care will be given to the Banking business of your office in future. Immediate attention to the matters referred to in this letter is desired.

W. R. RIDINGTON, Esq.,
Agent of Dominion Lands, Battleford

Your obedient servant.

P. G. KEYES, *Sec.*

DEPARTMENT OF THE INTERIOR, OTTAWA, November, 22, 1911.

SIR,—Referring to Departmental letter of the 20th inst., I am directed to inform you that the Department has just received a telegram from the Dominion Lands Agent at Battleford, reporting that the $510 shown on hand on the 31st October, 1911, was deposited to the credit of the Trust Account on the morning of the 2nd November, the 1st November having been a Bank holiday.

Your obedient servant,

The Auditor General.

P. G. KEYES, *Sec.*

Deposit of $25,000.00 by the Canadian North West Irrigation Co.

AUDIT OFFICE, OTTAWA, February, 2, 1912.

SIR,—I wrote you on April 30, 1908, enquiring, among other things, "If the Canadian North West Irrigation Co. made the required deposit on $25,000.00 in connection with their acquirement of certain lands for Irrigation purposes." To which you replied on June 4, of the same year, that, "A deposit of $25,000.00 was, I understand, made by the Canadian North West Irrigation Co., on January 30, 1903. This was in the form of a deposit receipt on the Bank of Montreal, endorsed by the Company to the order of the Minister of the Interior. It is still held by the Department and has not been credited to any account."

I again wrote you on November 26, 1908, saying, "You do not state why this account was not deposited in the usual course to the credit of the

Receiver General. If it still remains in the Department, I beg to submit that it should be deposited." To this letter I do not appear to have had any reply.

If the deposit receipt is still in your possession, why not deposit the same to the credit of the Interior Department, Suspense Account?

I have also to ask you to furnish a statement of the account of this Company, as outlined in the Order in Council of December 12, 1902.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. FRASER, *A.G.*

Department of the Interior, Ottawa, November, 12, 1912.

Sir,—Referring to your letter of the 18th ultimo calling attention to correspondence which has taken place at different times with regard to a deposit of $25,000.00 made by the Canadian North West Irrigation Company, afterwards called the Alberta Railway and Irrigation Company, I beg to state that the deposit receipt in question was returned to the said Company on the 6th May 1910, the conditions of the sale having been complied with.

I am to express regret that your letter of the 2nd February last has remained unanswered up to this date, the letter cannot be traced in the Department and it must have gone astray. In accordane with the request contained in the said letter, I beg to enclose herein a statement of the account of the Company as outlined in the Order in Council of December 12, 1902.

Yours truly,

The Auditor General. W. W. CORY, *D.M.*

Department of the Interior, Ottawa, November, 12, 1912.

Memorandum—

Re sale of 500,000 acres of land to the Canadian North West Irrigation Company, afterwards called the Alberta Railway and Irrigation Company.

The Government agreed:—

1. To sell 500,000 acres of land at $3.00 per acre within a certain area mentioned in the agreement between His Majesty and the Company. This tract of land contained school lands which had to be set apart and the Company actually received only 468,971 acres.
2. To allow credit of $300,000 for works already constructed by the Company.
3. To allow credit not exceeding $700,000 for new works to be constructed, namely: $1.40 per acre on 500,000 acres.

The Company agreed:—

1. To deposit $25,000 as evidence of good faith. Deposit made on 30th January, 1903, and returned to the Company on the 6th May, 1910.
2. To expend not less than $150,000 on surveys and new works within three years from 12th December, 1902. The Company had actually expended on the 31st December, 1905 the sum of $441,348.41, and submitted vouchers covering such expenditure for audit by the Department.
3. To expend not less than $700,000. ($1.40 per acre) on new surveys and works for the extension of their canal system;—They had expended up to the 31st December, 1910 the sum of $753,990.39 and this expenditure was audited and accepted by the Department.
4. To pay $500,000 in ten equal instalments of $50.000 each, the first payment to be made on the 1st December, 1907, and to pay interest at 5 p.c. on the principal unpaid. On the 11th June, 1909, these paments had been made in full.

Additional requirements:—

1. Certificate of departmental engineer that at least $1.40 per acre has been expended on works before the issue of letters patents for any of the lands sold. The Commissioner of Irrigation at Calgary has given such certificates from time to time.
2. That the maximum price of land sold by the Company within the tract mentioned in the Order in Council shall be $5.00 per acre, exclusive of water rights. The company was requested to make a declaration in each case where patent was applied for, that the land was sold at a price not exceeding $5.00 per acre.

W. W. CORY, *D.M.*

The Auditor General.

Southern Alberta Land Co.

AUDIT OFFICE, OTTAWA, January 2nd, 1912.

SIR,—Upon examination of the returns of the Dominion Lands Agent at Medicine Hat for the month of July last, it is found that two payments were made to the agent by the Southern Alberta Land Co., upon lands acquired by them under the Irrigation Act, as follows:—

July 6.	General receipt	116732.....	$ 79,286.10
July 20.	" "	116714.....	253,715.24

Please let me know if this sale is subject to the regulations established by the Order in Council of November 9, 1910, with respect to lands required in connection with any system of irrigation. If so, is this the first payment of six annual payments to be made at the rate of $3.00 per acre.

I should also be glad to know the terms and conditions of the agreement existing with this Company.

I am, Sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister Interior.

1—12½J

DEPARTMENT OF THE INTERIOR, OTTAWA, October 24, 1912.

SIR,—With reference to your letter of the 2nd January last, making enquiry in regard to the terms upon which lands were sold to the Southern Alberta Land Company for irrigation purposes, I beg to say that the sale was made under the authority of Orders in Council dated the 25th June, 1906, 26th, December, 1906, 9th September, 1908, and 6th October, 1908, copies of which are attached hereto.

Your obedient servant,

L. PEREIRA, *Assistant Secretary.*

The Auditor General, Ottawa.

EXTRACT OF AGREEMENT, APPROVED BY ORDER IN COUNCIL 25TH JUNE, 1906.

1.—His Majesty shall sell and the Company shall purchase at the price of three dollars per acre 380,573 acres within the said tract hereinbefore described, if that number of acres is available, and if not, as many acres in the said tract as are available for such sale and purchase.

2.—The cost of the works to be erected and established under the provisions of "The North West Irrigation Act, 1898," to irrigate the said tract, as approved by the Superintendent of Irrigation, shall be credited on account of the purchase money of the total number of acres of said lands sold and purchased, but not so as to exceed an amount equal to two dollars per acre on such total number of acres.

3.—That the Company shall forthwith deposit with the Minister as and evidence of good faith a sum equal to five cents for each acre of the said 380,573 acres, and from this sum shall be defrayed the expenses of the inspection and preliminary survey made by the Superintendent of Irrigation.

4.—That if any balance of the total amount so paid at the rate of five cents per acre shall remain after payment of the expenses of the inspection and preliminary survey such balance shall be placed to the credit of the purchase price of the said total number of acres of the said lands sold and purchased.

6.—That payment of the purchase money be made in six equal annual instalments, the first payment to become due on the first day of July, 1910, with interest from that date at the rate of five per cent per annum on the principal unpaid.

Grand Trunk Pacific Townsites.

AUDIT OFFICE, OTTAWA, January 29, 1912

SIR,—In connection with the sales of lots by the Grand Trunk Pacific Town and Development Co., Ltd., the following amounts have come to account as one-fourth of the net revenue due the Government under the terms of the agreements, viz.:—

	¼ Revenue	¼ Surveys	8% Com.	¼taxes.	Net Rev.
Nov. 17, 1909.....	3,321.29	700.31	265.70	—	2,355.28
May 16, 1910.....	10,561.09	309.19	844.88	248.81	9,158.21
June 14, 1911.....	30,917.98	623.62	2,473.13	1,167.81	26,653.42
	44,800.36	1,633.12	3,583.71	1,416.62	38,166.91

One-fourth of the actual cost of the surveys only should be charged, instead of one-fourth of 75 cents per lot, which appears to be an excessive charge for that service.

A commission is also charged of 8% to cover the cost of managemnet.

The agreement with the Railway Company and the Townsite Company does not provide for any specific charges for these services. If any agreement exists it should be authorized by an Order in Council.

The charge for taxes covers all the unsold lots, while in the agreement it is expressly agreed by the Railway Company and the Townsite Company that there shall be paid to the Receiver General of Canada, by the Townsite Company on or before the 31st day of March, in each year, one-fourth of the net proceeds realized from the disposal of said lands, after deducting one-fourth of the taxes, cost of surveys and such additional charges as are usual and proper charges for management. The taxes on the unsold lots should be held in abeyance until such time as the lands are disposed of.

Further, it is noticed that the Railway Company covenants with the Government to establish and maintain upon each separate townsite of which the lands desired to be patented to the Townsite Company may form the whole or part, a station with such accommodation and facilities as may be reasonably required, regard being had to the traffic at such points.

Please let me know if the Railway Company is carrying out this part of their agreement.

It seems to me that it is imperative that the Grand Trunk Pacific Railway should have these stations erected as far as the road is completed, and that the Department be furnished with plans of prospective stations to be erected on these townsites.

I am, Sir, your obedient servant,

The Deputy Minister, Interior. J. FRASER, *A.G.*

DEPT. OF INTERIOR, OTTAWA, 2nd February, 1912.

DEAR SIR,—I beg to acknowledge the receipt of your letter of the 29th ultimo in regard to the sale of lots by the Grand Trunk Pacific Town and Development Company, Limited, and in reply beg to say that the matters referred to therein have already been under discussion in this department, with the exception of the suggestion as to the establishment and maintenance of stations upon each separate townsite. Mr. Pope, our revenue accountant, is now conducting an audit of these accounts and I am furnishing him with a copy of your letter, as it is thought it will aid him very materially.

Yours truly,

The Auditor General. W. W. CORY.

DEPARTMENT OF THE INTERIOR, OTTAWA, 27th March, 1912.

SIR, Re Audit of Accounts of the Grand Trunk Pacific Town and Development Company.

In connection with your letter of the 29th January, 1912, and the Deputy Minister's reply of the 2nd February, 1912 I am now directed to enclose herein for your information a copy of Mr. Pope's report of the 12th February, 1912

together with copies of other documents relating to the audit of the account of the Grand Trunk Pacific Town and Development Company for the years 1908, 1909 and 1910.

Your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

INTERIOR DEPARTMENT, OTTAWA, February 12th, 1912.

MEMORANDUM.

The Superintending Accountant—

I beg to report that I left for Winnipeg accompanied by Mr. Hutton of this office, on the 26th January, 1912, for the purpose of auditing the accounts of the Grand Trunk Pacific Town & Development Company,Ltd. We arrived on Sunday evening the 28th ult., began work in the office of the Land Commissioner the following morning, concluded our labours the 6th inst. and returned to Ottawa on the 9th instant.

I may say at the outset that the audit entailed a great deal more work than I had anticipated, owing to the fact that the G.T.P.T. & D. Company had purchased large blocks of land at the Divisional points in addition to the four sections bought from the Dominion Government, and the townsites have been laid out in such a manner that parts of blocks and lots are affected by the Government Agreement while the remaining portions of the said lots are not. It was therefore necessary to start with the plan of each townsite, and go through the townsite registers in order to obtain the contract number of each lot sold, and then turn up the Sales registers to get at the exact revenue collected on each lot covered by the Government Agreements. This work was made more difficult by the fact that the clerk who prepared the statements rendered by the Company had resigned his position some months ago, and the data on which the statements were based had been destroyed. It might give some idea of the work that the audit entailed if I mention that the total sales of the Company exceed over $3,000,000, and 23,665 lots were sold up to the 1st December, 1911.

Agreements entered into without the sanction of the Dominion Government.

Before advancing very far with the audit, I ascertained that the G.T.P. T. & D. Co. had entered into agreements with outside parties covering the disposal of all unsold lots in three of the townsites in which the Government is interested, and which effected the revenue collected during the calendar year, 1910. The townsites are Edson, Watrous, and Biggar.

Townsite of Edson.

The agreement made with the Transcontinental Townsite Company Ltd. of Winnipeg, H. W. Emery, President, S. T. St. John, Secretary & General Manager, is dated the 1st September, 1910, and covers an undivided one-half interest in the net proceeds of the sale of all unsold lots in the Townsite of Edson. .....in all 642·73 acres more or less, the terms being $64,273.00 to be paid as follows:—$5,000 on the 1st March, 1911, $5,000 on 1st September, 1911 and $5,000 on the first days of March and September in each succeeding year until the above sum is paid.

The G. T. P. T. & D. Co. agrees to pay the cost of survey.

The purchaser to pay one-half of the taxes from and after 1st September, 1910, and that the lots shall be sold without interest *and taxes up to the 1st January, 1912.*

The purchaser to receive 40% of the net proceeds of any lots when sold, and a commission of 5% on all monies received on lots sold.

The Company receives 50% of all lots sold and 10% is applied on the purchase price of the said lots.

Townsite of Watrous.

The agreement made with Mr. Elisha S. Horn, of Kansas City (known in Winnipeg as "The International Securities Co.") is dated the 23rd September, 1910, and covers an undivided one-half interest in the net proceeds of the sale of all unsold lots in the Townsite of Watrous, in all.....866·7 acres, more or less. The terms being $86,670 to be paid as follows:—$5,000 on the 1st January, 1911, $5,000 on the 1st July 1911, and $5,000 on the first days of January and July in each succeeding year until the above sum is paid. The other conditions of this agreement are essentially the same as in the Edson Agreement.

Townsite of Biggar.

The agreement made with Mr. Elisha S. Horn, of Kansas City (known in Winnipeg as "The International Securities Co.") is dated 1st Dec., 1910, and covers an undivided one-half interest in the net proceeds of the sale of all unsold lots in the Townsite of Biggar, in all.....563·6 acres, more or less. The terms being $56,360 to be paid as follows:—$5,000 on the 1st June, 1911, $5,000 on the 1st Dec., 1911 and $5,000 on the first days of June and December in each succeeding year until the above sum is paid. The other conditions are essentially the same as in the Watrous Agreement.

I have given the most important points of these Agreements because they materially affect the revenue collected in the Townsites mentioned. For example all sales made by Elisha S. Horn since the first December, 1910, are posted in full in the Sales registers of the G. T. P. T. & D. Company, but under the agreement, the Company only receives 50% of the said revenue, less 5% for commission and ½ the taxes. Ten per cent is applied to the Purchase price of the lots affected, and the balance of 40% goes to Mr. Horn.

In other words the sales registers show that $4,583.50 was collected by the G.T.P.T. & D. Company from the 1st to the 31st December, 1910, whereas only $2,291.75 is included in the statements rendered to the Department for the year 1910, and the Government received one-fourth of $2,291.75 or $572.94. It will be seen by the agreements that none of the payments on account of *purchase* were due until 1911, and therefore did not come into the audit which covered the years 1908, 1909, and 1910.

The amounts entered in the sales registers and forming 50 per cent of the collections under the above agreements, but not included in the statement of revenue furnished the Department for the year 1910 are as follows:—

Biggar Townsite	$2,291 75
Edson Townsite	9,022 60
Watrous Townsite	2,638 40
	$13,952 75

In connection with these agreements I may add that Mr. Ryley found that it was not possible for his staff to properly advertise and handle the sale of the townsite lots to the same advantage as a real estate agency could do, and he therefore entered into the agreements above referred to,—after they were approved of by the Vice-President of the Grand Trunk Pacific Railway—but as the Dominion Government have one-quarter interest in the townsite lands, I am of the opinion that these agreements should have been submitted to the Minister of the Interior for approval before they were executed.

The Government permitted the Grand Trunk Pacific Railway Company to form the G. T. P. T. & D. Company for the sole purpose of disposing of the lots in question, and provision was made in the agreement of the 23rd of October, 1909, that an amount covering the *proper charges of management* should be deducted from the quarter of the revenue due to the Crown. It will therefore be seen that the agreements entered into with real estate companies whereby they receive 40 % of the gross proceeds of the sale of the lots, together with 5 % commission, materially affect the Government's interest in the townsites. For that reason I submit herewith copies of the three agreements which affects the accounts of the townsites company as audited to the 31st December, 1910, and respectfully ask if the same meet with the approval of the Dominion Government. I might mention that similar agreements have been made affecting the townsites at Wainwright, Melville, Tofield and Scott, but as no revenue was collected under these agreements up to the 31st December, 1910, I did not procure copies of the same.

Taxes.

I discussed very fully with the land commissioner the method employed of charging the Government quarter of the taxes on *all* lands purchased instead of charging the taxes only on the *lots sold*, but Mr. Ryley was fully persuaded that the agreement covers the taxes on *all* lands. I attach hereto a copy of a letter addressed by Mr. Ryley to the assistant sollicitor of the G. T. P. Railway and Mr. Hansard's opinion thereon.

In examining the tax vouchers I came to the conclusion that it would be a most difficult matter to pick out the taxes on the lots *sold* from those *not sold*. For example a tax voucher covering the taxes on lots 1 to 18 in block 42 amounts to $22.45. In looking up the sales register it is found that lots 2, 4, 5, 9 and 14 are sold. As the lots vary in price it would be a very difficult task to work out the exact taxes on the five lots sold. The only way to arrive at the exact amount of taxes on lots sold would be to procure the original tax bills from the head office of the company at Montreal, and go carefully through the eight sales registers taking out the taxes on each lot separately. Even then, a great deal of the work would be approximate, as the tax bills as rendered to the company in very many instances include blocks and lots only partially affected by the Government agreement. After giving the matter careful thought, I have come to the conclusion that it would be more satisfactory to the Department for the company to continue charging one quarter of the taxes paid by them on *all* lands affected by the agreement with the Government.

The tax statements for 1909 and 1910, as rendered by the company, were carefully checked and found correct.

Charges of Management

Having spent eight days in the main office of the land commissioner at Winnipeg I was enabled to observe closely the amount of work put through daily by the staff of twenty clerks. They are employed at entering up the payments in the sales registers, collecting the remittances and forwarding the same to the treasurer each day, issuing regular receipts for each payment, conducting the correspondence, and paying a commission of 5 % to the selling agents, and I have come to the conclusion that a charge of 8 % for management of lands affected by the Government agreement was a fair charge to make.

Cost of Surveys.

The Land Commissioner is having a statement prepared showing the actual cost of surveys to the company during 1909 and 1910, which he will forward to Ottawa within a few days.

Erection of Stations.

The general superintendent of the Grand Trunk Pacific Railway reports that stations have been built at each of the townsites affected by the Government agreement of 23rd March, 1908, excepting at Touchwood where there is not sufficient business at the present time to warrant the erection of a station.

Auditor General's letter of 19th January, 1912.

I submitted a copy of the Auditor General's letter to the land commissioner, and I attach hereto a copy of Mr. Ryley's reply.

Adjustment of the Accounts for the years 1908-1909-1910.

As pointed out in the opening paragraph of this report, I found that the material on which the company's statements to the Department were based, had been destroyed. It was therefore necessary to go through the sales registers carefully and take out every payment made during 1908-1909-1910. These figures we re-checked and where differences existed two clerks of Mr. Ryley's staff checked our work in order that the adjustment would be accepted by the land commissioner.

I give below the differences as found between our figures and those included in the statements rendered by the company.

The net result shows that the company overpaid the Department $289.96 by including items of revenue collected in 1911 in the statement for 1909-1910.

If this adjusrment meets with the approval of the Deputy Minister, I would suggest that a copy of the same be transmitted to the land commissioner of the G. T. P. Railway, Winnipeg, with the request that the overpayment be taken into account when the statement for 1911 is prepared.

I may add that the statements covering the revenue for 1911 have not yet been commenced. The company have collected about $40,000 from crop leases, a small proportion of which comes under the Government agreements, and will be included in the 1911 statements. This revenue will take considerable time to check. The first payments on account of *purchase* made by the real estate companies under the agreements referred to, will also be included in 1911 accounts, so that the audit for 1911 will take two men from a week to ten days. I arranged with Mr. Ryley that all the material on which the company's statements are based, should in future be preserved.

I cannot close this report without bearing testimony to the able assistance rendered by Mr. Hutton, of the accounts branch. Mr. Hutton is an expert at figures, and had I undertaken this audit alone, I feel sure it would have taken three or four weeks to accomplish the work which was done at Winnipeg in eight days.

Respectfully submitted,

GEO. D. POPE,

Chief Clerk of Revenue.

WINNIPEG, February 5, 1912.

Mr. H. H. HANSARD,

Assistant Solicitor.

DEAR SIR,—I enclose herewith a printed copy of an agreement between the Government of Canada and the Grand Trunk Pacific Town and Development Company with respect to certain lands along the main line of the Grand Trunk Pacific Railway.

The last clause on Page 3 shows the manner in which the revenue received by the Development Company is to be paid to the Government of Canada. Provision is made that in order to arrive at the amount out of which the said proportion of one-quarter is to be paid shall consist of all taxes levied against the land by or under the authority of the Provincial Government of the Province in which the land is situated.

In preparing the statement of revenue I deducted from the gross revenue one-quarter of the taxes paid on the lands enumerated in the said agreement. It is, however, contended by the auditor general in Ottawa that only one-quarter of the taxes paid on the lots sold should be charged to the Government and that the taxes on the unsold lots should be held in abeyance until such time as the lands are disposed of.

Please advise me who in your opinion is correct.

Yours truly,
(Sgd.) G. U. RYLEY, *L.C.*

WINNIPEG, February 5, 1912.

G. U. RYLEY, Esq.,
Land Commissioner.

DEAR SIR,—I have your letter of the 5th instant with respect to the amount payable from time to time to the Government of Canada under the agreement of the 23rd of March, 1908.

I note that the Auditor General contends that the taxes on the unsold lots should be held in abeyance until such time as the lots are disposed of. If it were possible that these taxes could be held in abeyance this contention might be a very proper one and provided the taxes had not to be paid until the lots were sold.

In order to arrive at the "Net Proceeds", one-quarter of which are to be paid to the Government, it is clearly the intention of the agreement that, among other things, all taxes levied against the whole of the lands are to be deducted out of the *gross amount received* from time to time out of the disposal of lots.

Some of the lots might never be sold and it is an unreasonable interpretation of the agreement that the Townsite Company should be saddled with the taxes on these. I have to say, therefore, that I am of the opinion that your view is the correct one.

Yours truly,
(Sgd.) H. H. HANSARD,
Assistant Solicitor.

WINNIPEG, February 8, 1912.

MR. GEO. D. POPE,
Chief Clerk of Revenue.
Department of the Interior,
OTTAWA, CANADA.

DEAR SIR,—I have read the letter from the Auditor General, dated the 29th ultimo, with reference to the sale of lots by the Grand Trunk Pacific Town & Development Co., Ltd.

He stated that one-fourth of the actual cost of the surveys only should be charged, instead of one-fourth of 75c. per lot, which appears to be an excessive charge for that service. In my letter of the 17th of March, 1909, to Mr. Philips, the secretary of this company, I explained how I arrived at this sum. The following is an extract of my letter with reference to the cost of survey:—"With "reference to No. 3, cost of survey, the survey of 1907 for surveying lots cost "63c. per lot and for 1908, 40c. per lot. In addition to this expenditure the "following should be added:—Salary of draughtsman who devoted his whole "time to the work, $1 000. Cost of tracing linen, registration of plans, corres-"pondence, time of land commissioner and clerks, I am unable to estimate. "The regular price charged by all Dominion Land Surveyors for subdivision of "of townsites is $1 per lot, which includes the preparation of plans, but "does not include the registratiom, correspondence, &c. I think a fair charge to "make for the survey of the lots the Governemnt are interested in would be "seventy-five cents per lot."

This statement gives the actual cost of surveying the lots and the only question there can be a difference of opinion about is the extra amount charged for the draughtsman's time preparation of plans, registration, correspondence, &c.

As no obejction was raised by the Department to this charge of 75c. per lot for 1908, I made the same charge for 1909 and 1910. I am now ascertaining the exact cost of the surveys for those two years, and so soon as I obtain the information I will forward it to you, which I expect will be in the course of a few days.

The Auditor General made the following remark wizh respect to the commission:—"A commission is also charged of 8 % to cover the cost of management. "The agreement with the railway company and the townsite comapny does "not provide for any specific charges for these services. If any agreement "exists it should be authorized by an Order in Council."

In my letter to Mr. Philips above referred to, I made the following statement with reference to commission:—"The following should be taken into account in arriving at this charge. 1. commission paid by the company to its agents." "2. Lithographing plans for distribution. 3. Time of land commissioner "and clerks in connection with correspondence, preparation and cost of sending "out plans. Preparing daily statements to general auditor, general manager "and secretary as to lots sold. Time of bookkeeper opening accounts and collec-"tion of money due on lots. The commission paid to agents was two per cent, excepting at Winnipeg, Edmonton and Vancouver where the agents were paid five per cent. As it is impossible to make an estimate of the amount expended in connection with the sale of lots within the land purchased from the Crown," "I think a fair charge would be 8 % commission". I am still of the opinion that this amount is not excessive.

Shortly after I wrote my report to Mr. Philips the commission was raised to 5 % leaving only 3 % for the work in the office above specified.

The Auditor General made the following remark with respect to taxes:—"The charge for taxes covers all the unsold lots, while in the agreement it is "expressly agreed by the railway company and the townsite company that "there shall be paid to the Receiver General of Canada, by the townsite company, "on or before the 31st day of March, in each year, one-fourth of the net pro-"ceeds realized from the disposal of said lands, after deducting one-fourth of "the taxes, cost of surveys and such additional charges as are usual and proper-"charges for management. The taxes on the unsold lots should be held in abey-"ance until such time as the lands are disposed of". I did not think that the Auditor General was correct in his contention and I submitted the matter to

the legal department when you were here and obtained a letter from Mr. Hansard, our assistant solicitor which I handed to you. Mr. Hansard was of the opinion that the Government should, under its agreement, pay one-fourth of the taxes paid by this company on account of the lands in which the Development company and the Government were jointly interested.

The Auditor General made the following remark with respect to the establishment and maintenance of stations:—"Further it is noticed that the Railway "company covenants with the Government to establish and maintain upon each "separate townsite of which the lands desired to be patented to the townsite "company may form the whole or part, a station with such accomodation and "facilities as may be reasonably required, regard being had to the traffic at such "points". Please let me know if the railway company is carrying out this part "of their agreement.

I am advised by the general superintendent that stations have been built at each of the townsites on the lands described in the agreement between the Government and the Grand Trunk Pacific Town & Development Company, dated the 23rd of March, 1908, excepting at Touchwood, where there is not sufficient business at the present time to warrant the erection of a station.

Yours truly,
(Sgd.) G. U. RYLEY,
Land Commissioner.

DEPARTMENT OF THE INTERIOR, OTTAWA, February 19, 1912.

MEMORANDUM.

The Deputy Minister.

Mr. Pope has given a thorough and very satisfactory report of his recent audit of the Grand Trunk Pacific Town and Development Company's statements for the years 1908, 1909 and 1910, which report is submitted herewith for your consideration. The accounts for 1911 will not be prepared by the company for some time, so that at present it is impossible to make an audit for that year.

The figures included in the statements rendered were found to be correct, except that the sum of $289.96, collected in 1911, had been included in the financial reports for 1909 and 1910. This will be adjusted by the company when the statements for 1911 are transmitted to the Department.

There is one matter referred to in Mr. Pope's report which affects the working out of the provisions of the agreement between the Department and the company. It was originally agreed that *one-fourth* of the *net* proceeds realized from the disposal of the lands should be paid to the Receiver General of Canada. It appears, however, that the company has made over to certain corporations all the unsold lots in several of the townsites. The arrangements between them are:—

1. That the purchaser shall receive 40% of the net proceeds of any lots when sold.
2. A commission of 5% on all monies received on lots sold.
3. The G.T.P. Town and Development Co. is to receive from the Corporations 50% of all lots sold.
4. Ten percent. is to be retained by the company to be applied on the purchase price of the said lots.

By this arrangement the Government does not receive one-fourth of the net proceeds of the sale of the lots as provided for by the agreement.

The Grand Trunk Pacific Town and Development Company should account to the Government for one-fourth of the net proceeds of all sales after deducting a percentage of taxes paid, cost of survey and costs of management, as provided for in the agreement. By disposing of the unsold lots on the conditions mentioned, the company is really giving to certain Corporations a large proportion of the net receipts, which would not be the case if the company had lived up to the terms of the agreement.

If you desire to do so, the point can be referred to the Department of Justice in order to find out if the company has the right to make arrangements whereby 40% of the proceeds of sales may be handed over to those to whom the company has given power to dispose of the lots.

In regard to the question of charging one-fourth of the taxes paid *on all lots* instead of on lots actually sold, I may say that Mr. Pope has dealt with the matter very thoroughly, and after reading his report I concur in his view that it is impracticable to deal with the question in any other way. Mr. Pope will see the Auditor General and explain the difficulties which prevent the company from treating the matter except in the way they have been doing.

Charges of Management.

Whilst 8% is a reasonable allowance for cost of management for the years 1908, 1909 and 1910, this rate should not be considered as a basis for future charges. The conditions under which the company carried on its business in 1911, when the receipts were exceedingly heavy, as compared with the previous years, would naturally render it necessary to change the mode of arriving at the rate to be charged, otherwise the charges of management will be abnormally high.

Cost of Surveys.

From Mr. Pope's report and also the explanations given by Mr. Ryley in regard to the charge of 75 cents a lot for surveys, it would appear that the company is at present unable to give details to justify the rate adopted; however, Mr. Ryley has promised to send a full explanation and when his statement is received, the Department will be in a position to determine whether the rate is reasonable.

Mr. Pope's labours were exceedingly heavy, but the report furnished is highly satisfactory, as he has given a full statement of the transactions of the company, which will place the Department in a position to deal intelligently with the matter.

Respectfully submitted,

(Sgd.) CHAS. H. BEDDOE,
Superintending Accountant.

DEPARTMENT OF THE INTERIOR, OTTAWA, February 22, 1912.

SIR,—I have the honour to report that an agreement was entered into on the 23rd October, 1909, whereby the lands set aside for the Grand Trunk Pacific Railway Company, for townsite purposes, should be conveyed to a company incorporated for the purpose of holding and managing such lands. Accordingly

a company called 'The Grand Trunk Pacific Town and Development Company, Limited,' was given the power, under certain provisions, to dispose of the lots granted to the railway for townsite purposes.

The Government was to receive *one-fourth* of the net proceeds, and in order to arrive at the amount out of which this proportion should be paid the charges for taxes, cost of surveys and cost of management had to be taken into consideration. The Minister of the Interior was given the right to have free access to all books, papers and documents kept by either of the Companies to check the charges mentioned.

Recently an audit was made in Winnipeg in connection with the statements rendered for the years 1908-1909 and 1910, and, when making the audit, it was discovered that the Grand Trunk Pacific Town and Development Company had made over to certain corporations all the unsold lots in several of the townsites. The arrangements between them are that (1) the said corporation shall receive 40% of the net proceeds of any lots when sold, (2) a commission of 5% on all monies received, (3) The Grand Trunk Pacific Town and Development Company is to receive 50% of all lots sold, and (4) 10% is to be retained by the company to be applied on the purchase price to be paid by the said corporations.

By this arrangement the Government cannot possibly receive *one-fourth* of the proceeds of the sale of the lots as provided for in the original agreement, and the point is now being submitted to you to decide whether the Grand Trunk Pacific Town and Development Company has any legal right to make over the unsold lots upon terms which must necessarily operate against the Government receiving the percentage of profit which was contemplated when the original agreement was made.

I am sending you the file which contains all the Orders in Council and agreement; also copy of report of the audit lately made by Mr. Pope, and I should be glad if you can give a decision in this matter at an early date, in order that the company may be notified.

Yours truly,

The Deputy Minister, Justice. W. W. CORY, *D.M.I.*

DEPARTMENT OF JUSTICE, OTTAWA, March 14 1912.

SIR,—I have the honour to acknowledge the receipt of your letter of the 22nd ultimo in which my opinion is asked in respect of the contsruction to be placed upon the agreement between His Majesty and the Grand Trunk Pacific Railway and the Grand Trunk Pacific Town and Development Company, limited, in connection with the sale of townsites. Such agreement provides that the last mentioned company is to pay the Crown one-fourth of the net proceeds realized from the disposal of such lands, and in order to arrive at the amount out of which the proportion of one-fourth is to be paid the deductions from the gross amount are to consist of taxes levied by provincial authority, the cost of surveys and such additional charges as are usual and proper charges of management. On the 23rd day of September, 1910, in order to facilitate the disposal of the remaining unsold lots agreements were entered into between the said Grand Trunk Pacific Development Company, Ltd., and other companies, and persons for the sale to them of an undivided one-half interest in the proceeds of such lots at the rate of about $100 an acre payable in instalments, the purchasers to pay one-half the taxes after a given date, and to receive a commission of five per cent on all moneys received on lots sold by them and forty per cent of the

net proceeds of the sale of the said lots up to such time as the full amount of the purchase price was payable, and afterwards fifty per cent of the said net proceeds.

I have been unable to understand very clearly the method of accounting under these agreements by which the one-fourth of the net proceeds to be paid to the Crown is ascertained. You contend that the Crown cannot possibly receive its one-fourth and you inquire whether the Grand Trunk Pacific Town and Development Company has any legal right to transfer the unsold lots upon terms which must necessarily operate against the Governemnt receiving the percentage of profit which was contemplated when the original agreement was made.

In my opinion, since the Crown is not a party to the agreements made by the Grand Trunk Pacific Town and Development Company it is not bound and cannot be prejudiced by the provisions of these agreements. The Company is entitled to deduct "such additional charges as are usual and proper charges for managenent," and I do not think that these very complicated agreements which the company has made in respect of the selling are necessarily to be regarded as evidence of such usual and proper charges. I am disposed to think that in the adjustment of the matter the actual amount of proceeds should be credited and against this should be charged the taxes, cost of survey and "usual and proper charges of management" whatever the latter may amount to. The aggregate of these being deducted would show the net proceeds of which the Crown should receive one-fourth. As at present advised, I think these agreements may be disregarded for the purpose of the ascertainment of these net proceeds.

Your Department should make inquiries to ascertain what the usual and proper charges of real estate agents in the townsites in question are for the management and disposal of lands. You will then be in a position to determine what would be a reasonable deduction from the gross proceeds of the sales.

I am, sir, your obedient servant,

The Deputy Minister, Interior. E. L. NEWCOMBE, *D. M. J.*

Department of the Interior, Ottawa March 25th, 1912.

Memorandum—The Deputy Minister—re Sale of lots in the G.T.P. Co's Townsites.

I beg to report that the Deputy Minister of Justice has given an opinion in connection with the agreements entered into by the Grand Trunk Pacific Town and Development Company, Limited, which confirms the views expressed in your letter to him of the 22nd February, 1912.

Mr. Newcombe reports as follows:—

"Since the Crown is not a party to the agreements made by the Grand Trunk Pacific Town and Development Company, it is not bound and cannot be prejudiced by the provisions of these agreements. The company is entitled to deduct "such additional charges as are usual and proper charges for management," and I do not think that these very complicated agreemnets which the company has made in respect of the selling, are necessarily to be regarded as evidence of such usual and proper charges. I am disposed to think that, in the adjustment of the matter, the actual amount of proceeds should be credited and against this should be charged the taxes, cost of survey and 'usual and proper charges of management', whatever the latter may amount to. The aggregate of these being deducted would show the net proceeds of which the Crown receive one-

fourth. As at present advised, I think these agreements may be disregarded for the purpose of the ascertainment of these net proceeds."

Is it your wish that Mr. Ryley should be furnished with a copy of Mr. Newcombe's letter of the 14th March ,1912, and at the same time requested to have the statements of revenue covering the year 1911 prepared in such a manner as to include one quarter of *all* the revenue collected by the company less taxes, cost of surveys and charges of management?

Mr. Pope points out in his report, page, 3, that the amounts entered in the sales registers, and forming fifty per cent of the collections under these agreements, *but not included in the statements of revenue furnished the Department for the year, 1910*, are as follows:—

Biggar townsite.....	$ 2,291 75
Edson "	9,022 60
Watrous "	2,638 40
	$13,952 75

Under the ruling given by the Deputy Minister of Justice, one quarter of the above amount is due the Government in connection with the revenue collected in 1910, and I respectfully suggest that Mr. Ryley's attention be drawn to this fact in order that $3,488.19 may be included in the statements covering the revenue collected during the year 1911 which are now being prepared by the Grand Trunk Pacific Town and Development Company.

Respectfully submitted,
CHAS. H. BEDDOE, *Superintending Accountant.*

DEPARTMENT OF THE INTERIOR OTTAWA March 26, 1921.

SIR,—In connection with the audit of the sale of lots by the Grand Trunk Pacific Town & Development Company made by Mr. Pope in February last, I beg to enclose herein the details of the adjustemnt of the accounts for the years 1908, 1909 and 1910, which show that the company have overpaid the Department $289.96, and I am to request you to take credit for this amount in the statement of revenue for 1911, now being prepared in your office.

I am also to point out that Mr. Pope's report was the first intimation the Department had received that the G. T. P. T. & D. Company had entered into agreements with outside companies for the disposal of an undivided one-half interest in unsold lots of certain townsites. The copies of the agreements entered into in connection with the townsites of Watrous, Edson, and Biggar, have been submitted by the Deputy Minister to the Department of Justice for a ruling as to whether the G. T. P. T. & D. Company had any legal right to transfer the unsold lots upon terms which must necessarily operate against the Government receiving the percentage of profit which was contemplated when the original agreement was made.

I enclose herein the opinion of the Deputy Minister of Justice on the point above referred to.

As Mr. Pope has reported to the Department that the sales registers of your office show that $13,952.75 collected on account of the sale of lots in the townsites affected by the agreement entered into with the Dominion Government has not been included in the statement of revenue for the year 1910, submitted by your company to this Department, I am to request you to be good enough to include the said amount in the statement for 1911 now being prepared for the Department, which amount is made up as follows:

Biggar Townsite	.....	$2,291 75
Edson "	.....	9,022 60
Watrous "	.....	2,638 40
		$13,952 75

The details are submitted herewith in order that one-fourth, or $3,488.19, may be paid over to the Government together with the amount for the calendar year 1911, due on or before the 31st March, 1912, as stipulated on Page 4 of the agreement dated the 23rd October, 1909.

I am also to draw your attention to the fact that on the 29th January 1912, the Auditor General pointed out that one-fourth only, of the actual cost of the surveys should be charged instead of one-fourth of 75 cents a lot, which appears to be an excessive charge for that service. You replied on the 8th February, 1912, that as no objection was raised by the Department to this charge of 75 cents a lot for 1908, you made the same charge for 1909 and 1910. You further stated that you would ascertain the *exact cost of the surveys*, and forward the information within a few days. On the 26th February, you informed the Department that you were endeavouring to ascertain the cost of the survey of the lots in which the Government is interested, without taking the average cost per lot for the whole year, and that you were communicating with one of the surveyors at Saskatoon.

I am to point out in this connection, that what the Auditor General requires is a statement based on the *actual expenditure* of your company. Be good enough to have such statement prepared, covering the years 1908, 1909 and 1910, and forward it to the Department at as early a date as possible.

Your obedient servant,

P. G. KEYES,

Secretary.

G. U. RYLEY, Esq.
Land Commissioner,
Winnipeg.

DEPARTMENT OF THE INTERIOR, OTTAWA, May 30 1912.

SIR —Referring to Departmental letter of the 27th March, 1912, in connection with the audit of the books of the Grand Trunk Pacific Town and Development Company I beg to enclose a copy of a letter just received from the Land Commissioner together with a statement showing the cost of surveys from 1907 to 1911.

When the audit of the accounts are made covering the sales collected during 1911 care will be taken to see that the Government is credited with 6½ cents per lot from 1907 to 31st December, 1911.

Your obedient servant

The Auditor General. P. G. KEYES *Secretary.*

WINNIPEG, May 25 1912.

MR. GEO. D. POPE
Chief Clerk of Revenue,
Department of the Interior,
OTTAWA.

DEAR SIR —Referring to my letter to you of the 26th February last with reference to the cost of the survey of lots in which the Government is interested I now enclose a copy of a statement showing the cost of surveys from 1907 to 1911 both inclusive which, gives the average cost per lot 68½c.

This statement includes the draughtsman's time fees for registration of plans but the office expenses comprising time of Land Commissioner, clerks, cost of tracing linen, stationery, postage, &c., can only be approximately estimated. I have placed it at $1,000 per annum, which I do not think is excessive.

The Government will be given credit this year for the difference between 68½c. and 75c. per lot charged for previous years, and will be charged 68½c. per lot for the survey of 1912.

I trust this will be satisfactory to the Department.

Yours truly
(Sgd.) G. U. RYLEY
Land Commissioner.
